ANGRY residents say they were "stitched up" by the council after plans were pushed through to relocate town centre toilets in South Street car park.

Bridport Town Council has been accused of having a "hidden agenda" after councillors and officials showed up in force to speak in favour of the controversial planning application.

Original plans to build a toilet block in the centre of the car park were turned down last year after strong opposition from residents.

West Dorset District Council cited its "utilitarian design", the effect it would have on nearby residents, the safety issue of having the toilets located in the centre of the car park and the "unacceptable" loss of eight car parking spaces as the reasons for refusal.

The latest plans show a change of design and the toilet block being erected at the entrance to the car park but there will still be a loss of seven car park spaces. Nearby

by Tom Glover

residents still feel that many of the reasons for the original refusal still apply.

Resident Ken Smith, who lives in neighbouring South Island Mews said: "All that's happened is they have changed the location but I personally think it is in a more dangerous position in terms of pedestrians and vehicles.

"I wasn't surprised to see it approved because the town council have been pushing for this for so long. I don't like to say it was a stitch up but the fact that there were five town council representatives there in favour of the move made it feel like that. There was a lot of lobbying going on and it wasn't really thought through in terms of the local plan.

"Hopefully there won't be any accidents or anti-social behaviour but if there is then they will have to answer for it."

Amberley Carter, who also lives at South Island Mews with her young family, said: "We are absolutely devastated, we don't understand and we think it's ludicrous when there are alternatives which should have been explored. It would be far more logical from a residents' and a tourists' point of view to put this elsewhere but obviously not from the town council's point of view. We think there is a hidden agenda.

"Why couldn't they provide sufficient toilet facilities in a £1.5million lottery-funded refurbishment of the town hall where they are going to put the tourist information centre?"

"We've lost faith in the town council, they are supposed to represent the Bridport residents not just tourism and I feel we are being sold short really."

At the planning meeting last week Bridport Town Council were represented by three councillors, the town clerk and the town surveyor.

**WINDSURFING** enthusiast, Murray Saunders, has just opened his water sports shop, Boylos, which he has run as an online store for two years, in the new-look seafront shelters in Lyme Regis.

The shop stocks Oxbow and O'Shea surf clothing, Xcel wetsuits, Ocean and Earth surfing accessories, sunglasses, rucksacks and other accessories.

A former Woodroffe School pupil, Murray, 26, went on to study business and accounting at Exeter University before starting an advertising sales and marketing business for five major windsurfing brands.

He now runs Boylos with his partner Ellie Boyle, and lives just outside Lyme Regis.

### ■ WHAT made you open the Boylos shop after running it online for two years?

I used to windsurf in Lyme Regis when I was younger and there was no one to offer me help and encouragement, or no where to get any advice. I really wanted to encourage more young people to take part in the sport - that's where it came from.

### ■ IS Lyme Regis a good place for water sports?

It's no Hawaii but it's amazing for windsurfing. There is a good surf scene along the coast and it's obviously great for kayaking and sailing, for which there's the sailing club. Paddle boarding, when you stand on a board and paddle along the sea, seems to be the new thing to do as well.

### ■ WHICH water sports do you enjoy?

Windsurfing is the main one for me. I've taken part in the windsurfing pro-tours for the past few years and came 12th last year, and I've entered other competitions as well and travelled around Britain to do it.

We also enjoy surfing, wakeboarding, scuba diving, and last year we had a boat so we did a bit of water skiing. Ellie likes paddle boarding at the moment but I think I would find it boring.

### ■ WHERE is the best place you've been for windsurfing?

St Ives Bay in Cornwall is definitely my favourite place to go.

### ■ WHAT do you think of Lyme's new seafront shelters?

They're a real asset to the town. A lot of hard work has obviously gone into them from the local community and

they present Lyme Regis the way it should be presented.

### ■ WHAT do you like about working in Lyme Regis?

I like the people and the community. Everybody is so friendly and pro-active, for example with Lifeboat Week and Regatta and Carnival Week - everybody is so hands-on and really gets stuck in. It seems like loads of people retire here and then say, "Let's do something!"

That kind of community is really unique, the only other place I think I've come across it is in Sydney, Australia, when everyone is on their boats.

### ■ WHERE would be your ideal holiday destination?

I would really like to go to Chile because they have really good conditions there for windsurfing but there is also a completely different culture to soak up.

I'm hoping to go to Hawaii this autumn, which is great for surfing and things but it's an American state so I guess the culture there won't be so different.

### ■ WHAT would you do if you won the Lottery?

I think I would put it in a bank account and forget about it until I was about 60. I need to work now, and then I could retire and do whatever I wanted!

## Library volunteers will soldier on despite 'appalling' decision

**DETERMINED** volunteers at Burton Bradstock library have vowed to carry on despite being "appalled" by the Dorset County Council decision to withdraw its funding.

Dorset County Council members voted 21 to 20 in favour of cutting the funding to nine libraries, including Burton Bradstock, offering them up for communities to take over and run independently.

The alternative proposal, which involved maintaining all 34 libraries with cuts shared across the board, lost out by a single vote with members claiming it would drastically weaken the library service and simply delay the inevitable.

Chairman of the Trustees of Burton Bradstock Library, Bob Hynds, said: "I'm appalled by what they did, there was a perfectly viable solution that would have saved all 34 libraries but they were insistent on

by Tom Glover

choosing this option. "Burton Bradstock is a slightly unique case and to be honest and it won't make a great deal of differ-

at least we will continue to run as normal."

The decision was taken to help the library service find savings of more than

***'I'm appalled by what they did, there was a perfectly viable solution that would have saved all 34 libraries'***

ence to us. We beat them down so they now have to provide books and terminals and we just have to takeover the building and the running costs which was something we had planned to do anyway to keep the building and to stop it from being sold off.

"Burton will go on more or less as it is but for the other eight the timescale is going to make it very difficult to get in volunteers and get them trained. I'm not happy about the decision at all but for the residents of Burton Bradstock

£800,000 in 2011/12, while maintaining an effective geographical spread of library buildings in areas where they are most heavily used.

The council is proposing to provide books, computers, self-service facilities and staffing expertise to support those nine local communities if they want to take over responsibility for their library building.

Campaign Group Ad Lib said they were "gutted to lose" and will now be fighting on behalf of the nine community libraries who have had their funding cut.

"We are down but we are not out," said Graham Lee, chairman of Ad Lib.

"We will now fight to get the best deal we can for the libraries the council wants to wash its hands of. The main thing we will be arguing for is that any community which takes over the running of its library from the council should still be covered by the 1964 Libraries Act.

"The council's officers

are telling us that, as voluntary bodies, we would not get that protection, but we're not buying that. We have no confidence that without the law behind us, Dorset County Council would continue to supply us with the books we need to survive."

Mr Lee added that Ad Lib would now be meeting with its legal advisors to decide how to proceed if any legal challenge to the council's decision were decided on.

Council leader Angus Campbell said the decision had not been easy.

"We know that libraries are very important to many people, and this process has quite understandably aroused a lot of strong feeling," he said.

"We have improved the community offer and increased the number of libraries to be retained by the council.

"We must ensure that the library service is sustainable into the future, and I believe retaining all 34 libraries would have seriously damaged that approach - bleeding the service dry for a short-term fix. It would have greatly increased the likelihood of having to revisit this subject in the next couple of years, and find even more savings. Local government funding has undergone a seismic shift, and we must adapt to that.

"The approach we have

taken will help us maintain a strong service, providing a good spread of libraries across the county and mobile libraries to continue serving isolated rural areas. At the same time, we will offer extensive support to those communities where funding will be withdrawn, giving them the chance not only to maintain independent libraries but also make better use of buildings which are currently open for just a few hours each week."

The eight other libraries which will have their funding cut are Charmouth, Chickerell, Colehill, Corfe Castle, Portland Underhill, Puddletown, Stalbridge and Wool.

Talks will now take place with the nine affected communities about the community take-over option, before the changes are implemented next year.

## More time to share your favourite summer recipe

THE search for the best recipes in the West Dorset area has been extended by two weeks, and food enthusiasts are invited to give details of their own favourite summer dish. The new deadline for the Co-Operative Cooking Heroes competition is Monday, August 8th.

The competition was launched at the beginning of July inviting food enthusiasts to nominate friends or family members who deserve to be complimented for their kitchen creations, but the search is widening to allow individuals to nominate their own favourite recipe.

Neil Forbes, Operations Manager for The Co-Operative in West Dorset said: "We realise that many people

keep their best recipes close to their chest and therefore only allowing nominations could make it difficult for some of the finest dishes to be passed on and shared as part of this competition.

"We have also extended the deadline of this competition to give more hidden cooking heroes the chance to come forward and shine. Whether people cook for themselves, family, friends or a local community group, we want to hear what is going down well using the best of the season's ingredients."

The overall winner will get two places at the "Dorset Kitchen" workshop at The Lesley Waters Cookery School in October worth £500, they

will receive £200 of Co-Operative Food vouchers, and a life-size cut out of them will accompany their recipe and ingredients in their local store. There will be additional prizes of Co-operative Food vouchers for five runners up.

The competition will be judged by Becky Sheaves, Food Editor of the Western Morning News, who will be joined by a member of The Co-Operative's Local Area Committees, and a representative from The Co-Operative Food business.

Entry forms will be available from The Co-Operative Food store in Dorchester, Weymouth and Bridport, or call 01884 266892 or email [membership.sw@co-operative.coop](mailto:membership.sw@co-operative.coop)

## Fast track qualification to meet teaching demand

KINGSTON Maurward College has introduced a new fast track qualification that allows those currently in a full teaching role to gain their DTLLS qualification (Diploma in Teaching in the Lifelong Learning Sector) within one year instead of the usual two years.

Due to government legislation, the Level 5 DTLLS qualification is essential for anyone working as, or planning to become, a full teacher in further, adult or continuing education.

Starting in September, the course

provides skills needed to work as a full teacher in the lifelong learning sector - designing curricula and teaching a range of levels, subjects and learner types.

Subjects include continuous professional development, curriculum development and wider professional practice.

The course also offers the opportunity to apply for Professional Formation - QTLS (Qualified Teacher, Learning and Skills).

Previous DTLLS student and Kingston Maurward College football

tutor, Andy Harris, said: "This course is fantastic for career development. It gives insight into not only working practices within teaching Further Education, but the legislation and policy making behind the scenes, which is invaluable."

Those wishing to pursue the course will require access to a minimum 150 voluntary or paid teaching practice hours during the year.

For further details please contact tutor Beverley Johnson on 01305 215006 or email: [beverley.johnson@kmc.ac.uk](mailto:beverley.johnson@kmc.ac.uk)

# Flower power at sheltered housing

■ **IN FULL BLOOM** - Jon Major, Ted Minett, Traudi Gurini and Joyce Carter are a few of the residents who have been working on the garden

CREATIVE residents at Hanover Court in Bridport have used 'flower power' to bring their communal garden back to life.

Over the past year a team of residents from the sheltered housing area for the over 50s, have got together to grow plants, vegetables and even install statues and lay patio flooring.

The garden area features a huge array of flowers from geraniums and fuchsias to lilies and roses while the vegetable patch and greenhouse area is home to potatoes, leeks, carrots, chillies, peppers, tomatoes and more.

Keen gardener Joyce Carter said the project had brought residents closer together with different people all tending to their own areas. She said: "It's great because when you come out here now there is always someone about to talk to.

by Tom Glover

"Even the residents who aren't able to get involved or don't come outside much like to see it and when their families visit they will often take them for a walk around the garden."

Joyce's daughter Pat Shepherd said: "The residents took it upon themselves and have all been working really hard to transform their garden area. They pay for all the flowers and ornaments out of their own money and they are nearly all pensioners.

"The gardens are in full bloom and look beautiful and it has made a great improvement it's also a great way of them all getting together and enjoying each others company instead of sitting alone in their apartments."

## Council leader defends car park toilets plan

**FROM page 1**

Ms Carter added: "The fact that five of them had to come and speak out against three of us is actually a backhanded compliment that they thought we had a case and they came out to make sure we didn't actually pull it off."

Bridport Town Councillor Karl Wallace spoke out against the proposal. He said: "It was overkill by the town council and I seriously think they were concerned the decision wouldn't go their way. There was a lot of pressure on me not to speak on behalf of the people I represent and so in the end I spoke as a county councillor.

"I think it's the wrong decision. Yes, we do need toilets in the town but this is the wrong location. You are going to get people coming in from South Street, youngsters and people on holiday who are less aware of the traffic, and the potential for an accident is high. What

happens when there is an accident, who is going to take responsibility?

"The location is wrong, public toilets and houses don't go and it has already blighted the lives of the residents who live there. Questions need to be asked of WDDC as to why they allowed there to be so much representation from the applicants."

Bridport Town Council have said that after considering a number of possibilities it was agreed that South Street Car Park was the best possible site.

Town council leader, Martin Ray, said: "The proposed location in South Street Car Park has always been the town council's preferred site for much needed new town centre public toilets. These new facilities will be a real asset for the community and be welcomed both by local people and visitors to the town."

## Searching for Sheppick

IF your surname is "Sheppick" then researchers from Weymouth would like your help in uncovering the history behind some Victorian graffiti.

The Friends of Sandsfoot Castle are currently conducting a detailed survey of the 16th century building, which includes researching the graffiti.

The earliest discovered to date is "S Brown 1892", but close to this is the name of "J H Sheppick", very neatly cut out in Times New Roman font.

Researchers have discovered the uncommon name occurring in Bradpole in the late 19th century. If you are a "Sheppick", or know of any living in the area, then please contact David Carter, Chairman of the Friends of Sandsfoot Castle and Rodwell Trail, on 01305 768442.

## Inspired by Spain

A POET from Bridport has released a collection of his work inspired by recent visits to Spain.

The book, titled "Sevilliana", is a collection inspired by poet David Bushrod's trips to Seville and Andalusia. Fans of David's work will find it to be fairly different to his more well known work about the Dorset countryside.

The book was launched earlier this month with an event at Eype Arts Centre which included readings interspersed with Spanish music performed by Myra Evelyn, Robert and Ruth Eshelby and Santiago Arnillas.

The book is now available at Waterstones in Bridport and Dorchester.

## Pirates day ahoy

CHARITY stallholders still have time to reserve a place at this year's West Bay Pirates Day.

If you would like to join in the fun on Sunday, August 14th then you can reserve a stall for £5 by contacting Pauline Collard on 01308 459854 or pirates@westbay.co.uk.

The event will run from 12noon until 5pm.

■ TRANQUIL: The peace ceramic that will be on permanent display in the garden

# Message in a garden

by Tom Glover

QUAKERS in Bridport will commemorate the anniversary of the atomic bombing of Hiroshima when they open their peace garden next weekend.

The Bridport Quakers have made an open invite to the town to join them at the opening of the garden at the Quaker Meeting House, South Street.

The day will also mark the 66th anniversary of the US bombing of

Hiroshima at the end of World War Two, and there will be a short period of silence to mark the event.

The Quakers have worked to create a focus on peace for the re-designed courtyard in the garden. A peace ceramic has been created by local potter Miles Bell, along with children and adults from meeting, and will be permanently on display

in the garden.

This tranquil garden can be used by anyone as a refuge from the hassles of daily life.

The garden will be opened at 12noon on Saturday, August 6th. Later on at 7.30pm the Bridport Tokyo Exchange and BYPAT are floating traditional lanterns down the River Asker from Riverside Gardens to mark the anniversary. Everyone is welcome to join them.

## Second time lucky for Red Arrows at Drimpton

THE Red Arrows hope to finally appear in the skies over Drimpton next month after having to cancel their appearance at last year's village fun day.

Organisers of this year's fun day have their fingers crossed that the world famous RAF aerobatic team will be able to make an appearance at the second time of asking.

Mike Saunders, chairman of the Fun Day Committee, and formerly with the RAF, said: "Last year the Reds couldn't fly because of the weather. They realised how much the village had been looking forward to them appearing, so they wanted to make up for it."

The grand draw is also offering a once-in-a-lifetime prize of a day for two with "The Reds".

"This prize is an amazing offer," said Mike.

"The lucky winners will travel to the Red Arrows base in Lincolnshire. They will meet the pilots and their engineers, watch a display from the control tower, and have their photo taken with the pilots and one of their iconic planes.

"Then they will be involved in the debriefing session before having a light lunch with the pilots. It doesn't come any better!

"The village is amazed to have such a prize in their grand draw, the proceeds from which will help the committee provide funding to develop and refurbish the village hall and support other village ventures. At a time when money is tight and village communities are under pressure The Red Arrows are helping us help ourselves. We cannot thank them enough."

The fun day will run from 12noon to 4pm on Saturday, August 20th. Parking and entry is free and gates open at 11.30am.

There will be activities for all ages on the day, including a fair, stalls, football, tug-of-war, skittles, archery and more.

The Red Arrows are due to fly past at 3.50pm precisely to close the day. Local band, 'The Sidekicks', will also be playing throughout the evening at the summer dance which begins at 8pm. For full details of the programme, go to [www.drimptonfunday.org.uk](http://www.drimptonfunday.org.uk).

# Sea Scouts off to World Jamboree

■ **LARGE LUNCH** - Jacob Neal and Megan Hewlett of Leakers Bakery with some of the bread for the world record attempt

## Bridport bread in the world's largest lunch!

HUNDREDS of loaves of bread from a Bridport bakery are being used in a record attempt to create the Worlds Largest Ploughmans this week.

Successful TV chef and food writer Paul Merrett is set to unveil the unique piece of food art at the Foodies Festival in London this Friday, July 29th.

The larger than life lunch will include over one tonne of Seriously Strong cheddar and over 200 loaves of large white and granary bread from Leakers Bakery. The edible supersize food art structure, which will also be a Guinness World Record attempt, will be on display for one day only before it is dismantled and shared amongst spectators to enjoy for their lunch.

Caroline Parkins from Leakers Bakery said: "We're delighted that the organisers have decided to use real Dorset bread for the World's Largest Ploughmans. We're looking forward to seeing the work unveiled!"

THREE former West Bay Sea Scouts have set off to the World Scout Jamboree in Sweden after months of fundraising.

Explorer Scouts Anja Jackson and Alfie Payne began their adventure at the weekend before being joined by 1st West Bay Sea Scouts Cub Leader Anne Oxenbury at the Jamboree.

The two explorer scouts were both members of the 1st West Bay Sea Scout Group when they applied for the Jamboree and are now both Young Leaders, Anja with 1st West Bay Sea Scouts and Alfie with Bride Valley Cub Scouts.

They joined the Dorset Section of the Brownsea Solidarity Unit at the weekend for a trip to Brownsea Island, the home of scouting.

The unit is made up of explorer scouts from across Dorset plus a patrol of nine scouts from Sierra Leone.

The unit spent the day in London on Sunday before flying to Denmark on Monday.

In Denmark the section met with approximately 3500 UK scouts for a two-day pre-Jamboree event in Copenhagen including a visit to the Tivoli Gardens

■ **JAMBOREE** - The Dorset section of the Brownsea Solidarity Unit who have joined the World Scout Jamboree in Sweden

Theme Park and a beach party.

Cub Leader Anne Oxenbury, who has travelled as a volunteer with the International Services Team, joined them at the Jamboree today (July 27th).

During the Jamboree itself they will take part in a number of modular activities, which will be a mixture of fun and learning built around themes including Global Development, world cultures and caring for our planet.

There will be three large arena events attended by all 38000 scouts who are taking part in the Jamboree from countries across the

globe. There will also be many smaller events and spontaneous activities ranging from rock climbing to juggling, swimming to performing on stage and a one day International Festival where each Unit has to put on an event synonymous with their own country or culture.

The Brownsea Unit are holding a street party decorating their camp with Union Flag bunting and will be offering their visitors cream teas and Dorset apple cake.

The Jamboree site has its own bank, Post Office, supermarkets, cafes and shops as well as its own

radio channel and daily news magazine.

After the Jamboree ends the Brownsea Unit is flying to Berlin en route to Szczecin in Poland where they will stay for five days for the Home Hospitality element of their Jamboree experience before returning home.

For the former West Bay Sea Scouts their trip comes after 18 months of training and fundraising.

The support of their families and friends, fellow scouters, members of the public and local businesses and organisations helped them both to reach their target of £2,000 each. Car-

oline Jackson, mother of Anja, said: "They are very grateful for the support and encouragement that they received from everyone

since they embarked upon this adventure."

The trio will return from their trip on Sunday, August 7th.

■ **FUN AT THE FETE** - Helen and Harry Hedgehog with children from Burton Bradstock Primary School

## Planning for fun at Burton Bradstock fete

COUNTRY pastimes will be the theme of Burton Bradstock Church Fete when it returns next week.

As well as all the customary features of a traditional country fete there will be a display of floral arrangements in the church, as part of 'A Celebration of Flowers', and even an appearance from Helen and Harry Hedgehog.

The family fete offers something for everyone with face painting, Punch and Judy and pig racing for the children and a chance to browse for a book, pick up a plant, purchase a preserve, choose a cake and chat over a cup of tea for the adults.

All proceeds from this event will go towards the annual upkeep and expenses in the life and work of St Mary's Church.

The Burton Bradstock Church Fete will be held in St Mary's Rectory Garden on Thursday, August 4th, starting at 2pm.

Further information about the above can be found by visiting the Burton Bradstock village website [www.burtonbradstock.org.uk](http://www.burtonbradstock.org.uk)

Church Street, from Donkey Lane to Middle Street, will be closed between 12.30pm and 5.30pm on the day.

# Watch this transformation

AWARD-WINNING café owner Steve Attrill is hoping his latest venture will bring the success of his Hive Beach Café at Burton Bradstock to West Bay.

Mr Attrill has just bought the Old Watch House Café at West Bay.

"We love the position and couldn't resist this new addition," said Steve.

"The views from the terrace over Lyme Bay are stunning and it's a perfect setting for enjoying first rate food by the beach."

The café will be renamed The Watch House and Steve has plans for a programme of refurbishment. However, it is up and running already with a kitchen crew headed by Tim "Gibby" Gibb as head chef and manager.

With seating for 80 customers Tim said: "We've got lots of new ideas but in essence The Watch House will serve a combination of traditional English seaside fare and modern cuisine such as squid, chickpea and chorizo salad."

The business will share the same ethics as The Hive, which sources local fish and produce. Visitors will soon notice a new

coffee machine and a switch to Lovington's ice cream at the café.

The Watch House has a long history from being a coastguard look-out to a beach café but Steve hopes to take it into a new era under his ownership.

He continued: "We're keeping to our Hive formula of relaxed atmosphere and everyone

welcome. That's worked well at Burton Bradstock and we feel that given its location, nearby parking and the Jurassic scenery, the Watch House will be an asset to West Bay tourism."

The café is open 9am to 5pm seven days a week with the possibility of evening extensions in high season.

## Bus tenders to be discussed

WEST Dorset Western Area Transport Action Group (WATAG) will be holding their bi-monthly meeting tomorrow (Thursday).

At the previous meeting, details were given by Dorset County Council regarding the results of the retendering exercise for all bus services in the county. A representative from Dorset Passenger Transport will be attending in order to update the situation and the new bus timetable booklets will be available on the night.

There will also be time for anyone to raise questions or debates about local bus and rail services to which they would like answers. The meeting is open to all members of the public interested or concerned about public transport matters.

The meeting will be on Thursday, July 28th, at 6.30pm at the W.I Hall, North Street, in Bridport.

## Happy day for church fete

LIVE music and dancing, bookstalls and ploughman's lunches helped St Swithun's summer fete raise £1000.

The annual event was blessed with good weather after a wet morning and live performances from St Swithun's Band and the Lyric School of Dancing helped tempt the visitors to the church.

The Team Vicar, Father Peter Edwards, said: "It was a very happy day, and we were somewhat fortunate with the weather. It was a bit damp in the morning and so we were worried people might be put off but it brightened up later on.

"The band played, lovely as always, and the dancers from the Lyric School of Dance performed very nicely, and that brought in some younger people to the fete as well.

"There was a happy atmosphere about the day and it was lovely to see so many people there."

Money raised will go towards the general running costs of the church.

# Thorncombe school children help boost local shop's trade

■ **SHOP LOCAL:** School children pictured outside Thorncombe Village Shop

IN a bid to highlight the importance of keeping village shops open, children from Thorncombe Primary School have completed an exercise analysing their weekly family shopping list to see how much could be purchased in the village shop instead of supermarkets.

The exercise showed the children how much was available in their local shop but also provided valuable feedback as to what other items were in demand. The student with the most on their list that was available in Thorncombe Village Shop won a £10 voucher, with second place winning £6 and third winning £3.

The students also calculated how much a round trip to their usual shopping town cost to see how much money could be saved by not using the car. The travel costs ranged from £6.50 up to over £11, which was quite a shock for some.

The students demonstrated their savings through pictures now displayed in the village shop window.

Thorncombe Village Shop, which was bought by the local

community and is now run by part-time staff and volunteers, includes a cafe, free wireless internet access, a deli counter and Post Office, meaning it is an important facility for local residents but is struggling during the current economic climate.

Volunteer Phil Gordon, who is trying to boost local trade, said: "The trouble is that we are just the wrong side of breaking even at the moment and we need to try to encourage all our local shoppers to spend a few more pounds a week than they currently are."

"If we can, through the children in the village, encourage a few more people to think village shop before car it could make all the difference. No one expects the typical family today to do their entire weekly shop in their village - that would be impossible - but a slight modification in habits is all we need."

"We are always keen to hear ideas from the community as to what they would buy or what services they would use."

## Family barn dance boosts scout funds

THE annual Coutts family barn dance has raised £800 for Bridport Scouts.

The yearly event, held at Medway farm in Askerswell, was at-

tended by 200 guests.

A disco provided by Steve Smith and live vocals from John Follett got guests into the party mood before a charity raffle, with prizes

donated by local businesses, and skittles helped boost the fundraising total.

Dancers are pictured above enjoying the evening.

## Thorncombe youngsters raise money for day out

THORNCOMBE Youth Club members helped waitress at the village's monthly Breakfast Club (pictured right) in July.

Profits from the event will go towards the cost of a family day out for youth club members, parents and friends.

The youth club holds monthly meetings for children aged eight and above. For more details, contact Valerie Widger on 01308 868903.

# Annual Holy Trinity Church Fete raises £850

HEAVY early morning rain could not dampen the spirits of the Holy Trinity Church organisers at Bothenhampton.

A quick rearrangement of the stalls to accommodate the situation resulted in the annual fete raising a superb £850 towards church funds.

With skies clearing, the crowds turned out in numbers to make it an afternoon of fun following the official opening by the Mayor and Mayoress of Bridport Councillor Dave Rickard and his wife Anne.

Music was provided by the

by Stuart Broom

Durnovaria Silver Band from Dorchester, the Bothenhampton Handbell Ringers and members of the church playing the organ.

There was ferret racing, a space hopper championship and a display from the Bridport Dog Training Society, as well as a multitude of games and stalls. Inside the church you could gorge yourself on scones and clotted cream or cakes washed down with a cup of hot tea.

■ **LUCKY DIP:** The Mayor and Mayoress of Bridport Councillor Dave Rickard and his wife Anne try their luck at the tombola

■ **FULL HOUSE:** The church was full to the gulleys with numerous activities taking place

■ **READY FOR THE OFF:** Ferret racing supplied by Jo Scott and her son Mark from the Animal Conservation and Welfare department at Kingston Maurward College was a popular stall

■ **HIGHER OR LOWER:** Derek Spencer, one of the fete organisers, tempts people to play the former TV game show

## Holiday activities

THE children's centres in Bridport, Beaminster and Lyme Regis are inviting youngsters to join them in their summer activities.

The holiday club meets once a week and focuses on a different theme with activities aimed at children aged 0 to 5-years-old and their families, but older siblings are welcome.

The sessions will run between 10am and 1pm on Mondays in Bridport, Wednesdays at Lyme Regis and Fridays at Beaminster for four weeks of the holidays.

The sessions began this week with a "Woodland" theme, with upcoming sessions focusing on the sea, the city and the jungle.

At the sessions there will be creepy crawlies to touch and feel, water to splash in and some art and craft projects to keep the children busy. Children will be able to play some jungle rhythms on the drums, learn how to dance and bake something tasty to eat.

Sessions are only £1, but children are asked to bring a picnic and wear clothes they can get messy in. For more information please contact West Dorset Children's Centres on 01308 421714.

## Plans on show

THE latest plans and drawings for the regeneration of St. Michael's Trading Estate will be on show at a public consultation tomorrow (Thursday).

The original plans, displayed at the initial consultation at the Red Brick Café at St. Michael's Trading Estate last December, have since evolved following subsequent meetings with the town council, the West Dorset District Council and English Heritage.

The consultation is an open forum event where anyone can peruse the plans at their leisure. They will be on show between 10am and 4pm in the Committee Room of the offices of Bridport Town Council at Mountfield.

■ DENNIS THE MENACE: 'Dennis' joins UK Llamas and staff from the Co-Operative group

## Dennis does the rounds to raise funds for Mencap

A MENACING comic book star helped raised £220 for Mencap when he visited Bridport.

The visit, from a cuddly Dennis the Menace toy, was part of a West-country wide fundraising effort by the Co-Operative group.

'Dennis' started his journey in

Cornwall and arrived at Bridport, from his previous stop of Honiton, on Friday of last week.

During his visit 'Dennis' spent some time in the cells at Bridport Police Station, went for a bike ride with staff from the Britannia Building Society and had a trip in a tractor,

before joining UK Llamas for a trek at the Co-Op store in Bridport.

Staff at the Co-Op had dressed in black and red for the day and UK Llamas stayed for the afternoon to help with the collection before dropping 'Dennis' at his next stop in Crewkerne.

## Getting up close and personal with moths

SEE live caterpillars and moths up close at free children's workshops to be held in Bridport next week.

Butterfly Conservation are hosting the workshops at Groves Nurseries to introduce children to the life cycle of moths and butterflies and to teach them how to encourage them in to their own gardens.

As well as getting to see moths and caterpillars up close, there will also be a hands-on activity inviting children to plant up a caterpillar 'munch box' and a butterfly fuel station to take home and plant in their gardens.

The workshops are part of a trial project entitled 'Eating Caterpillars', which Butterfly Conservation hope to roll out in 2012, offering workshops to primary schools, garden centres and community events throughout Dorset. The Heritage Lottery Fund and the Dorset AONB Partnership have funded the trial phase of the project.

Workshop sessions at Groves Nurseries will run on the hour, every hour between 11am and 3pm next Tuesday, August 2nd. To book a place please contact Kate Merry on 01929 406029 or email [kmerry@butterfly-conservation.org](mailto:kmerry@butterfly-conservation.org). All children must be accompanied by an adult.

# End of term tales from the wild wood

■ **FANTASTIC FOUR** – Our four heroes reminisce about the adventures of Mr Toad

Words and photos by **TOM GLOVER**

■ **LITTLE DUCKS** - The little ducks shake their tail feathers

■ **SCARY STOATS** - The SAS, better known as the Special Armed Stoats

**T**HE classic tale of *Wind in the Willows* was revived on the stage at Powerstock Primary School for their end of term show last week.

The story of woodland friends and the adventures of Mr Toad were brought to life brilliantly by a young cast comprising every pupil of the school.

The weeks of preparation that went into the show were clearly evident, not just in the cast's polished performances but in the efforts of the backstage crew on the scenery, costumes and particularly excellent make-up.

Taking the lead role of Mr Toad, Cian played the part of an eccentric English toad brilliantly, showing maturity beyond his years to capture the essence of a demanding role.

He never once seemed fazed by the quick costume changes or tricky twists and turns in the plot and had the audience rooting for Mr Toad all the way, despite his flaws.

The delicate role of Mole was played by Hattie, who brought out the sensitive character of her part. She

also showed a lovely on-stage partnership with both her "Rattys", played by Alfie and Tilly. The pair shared the role with such skill that many of the audience wouldn't have noticed the changes.

The wise Mr Badger was played by Cara who gave one of the best singing performances of the night with "It takes all sorts to make a world". Another musical highlight on the night was "Bright Canary-Yellow Gypsy Caravan" which the audience were still humming at the end of the night. The cast were harmonising and doubling up on melody lines throughout the song which, coupled with its catchy tune, made it stand out from the rest.

Keeping the show moving along at a good pace was the narrator for the evening, Megan, who did an excellent job of keeping the audience up to date with developments.

The rest of the school all had parts in the show and each added their own special touches to the production. Special mention must go to the Chief Weasel who was played menacingly by Jonty and girls Courtney and Anna who

both stood out in their cameos as Monica and Sally respectively.

The ensemble cast all gave great showings from

the wild wooders, to the little ducks and who could forget the Special Armed Stoats.

The show was a great

way for the pupils to end the school year and the finale song "Friends Together" was a fitting note to finish on.

## PLEASE MAKE ROSS MOORE AND CLAIRE PERRY DREAMS COME TRUE

ROSS Moore and Claire Perry entered the competition to win a dream wedding worth over £12,000 at Hornsbury Mill. They were due to get married last year but due to the business development they decided it was best to put their plans on hold and put all their money and energy in the rapidly growing business. It would be a dream come true for them to win the prize, getting married means everything to them.

Claire had their son Jack and she then followed her dream and baked cakes for a living. She had a passion for baking from a very young age, you could say she became a 'mumpreneur'. She got so busy Ross gave up work last year and now is part of the

business full time with Claire. Moore Than Cupcakes started two years ago on Bridport market selling our delicious cakes, cupcakes and scones and has since gone from strength to strength. They were approached by several tourist attractions, restaurants and holiday parks asking if they could supply them, they gave the market up and decided to build the wholesale and catering side of the business.

Over the past year they have helped Beaminster dog show by donating cakes and cupcakes to them, sold cakes to raise funds for the Air Ambulance, donated raffle prizes to Bridport's Got Talent and also donated the buffet for Bridport Carnival this year.

Please vote for them, voting is each week in the Western Gazette with double voting this week, (two voting slips in each paper) people can vote as many times as they like. Ref: Ross Moore & Claire Perry Entry number 1032.

# Hillbillies embark on plans for the future

by Tom Glover

■ AWARD WINNERS - Laura Trott and Toby and Jade Farrington receive their young volunteer awards

AFTER a successful open day, the Allington Hillbillies are now planning for the year ahead.

The group, which was set up to care for and nurture Allington Hill, raised £200 with a day of activities and received a further cheque for £250 from the Allington Parish Council.

The money will be used to replace tools and fund projects, including a special tree-planting event to commemorate the Queens Diamond Jubilee next year.

Cathy Harvey, a spokesperson for the Hillbillies, said: "We wish to make it a pleasant place for all the residents of the Bridport area, young and old to visit and enjoy the fantastic nature on the hill and, of course, the scenery."

The open day event featured a range of activities for all the family from historical displays and quizzes to memory boards and nature walks.

"We had a fantastic day and we were blessed with mostly fine weather, except for the odd shower," added Cathy.

As well as raising money it was also a chance for the hillbillies to learn more about the hill and members were fascinated to see an 18th century map of the site bought along by one visitor.

The hillbillies now wish to produce their own map, following the success of the naming game, featuring the different nicknames suggested for many of the paths and trees.

Children were kept busy by colouring pictures of "Pixie George", the resident pixie on the hill, and creating model trees and flowers.

Several young children were also presented with young volunteer awards. Toby and Jade Farrington won a year's membership to the Woodland Trust Nature Detectives Club and Laura Trott won a book on creepy crawlies.

The eventual winner of the nature quiz was Anne-Marie Beer, who won a book on British native trees for her trouble.

The next big event for the Allington Hillbillies will be an autumn festival and the group aim to get a lot of children involved on the day. If you help run a children's organisation or work at a school and wish to get involved please contact allingtonhill@gmail.com. A free newsletter is also available from this email address.

# No tuition fees, but quite a long wait!

THROUGHOUT the Spring and Summer months View From Reporter TOM GLOVER is welcoming all challenges in his column 'Take on Tom'.

This week Tom joined the UNIVERSITY OF THE THIRD AGE (U3A) for their music appreciation, walking with a purpose and philosophy groups.

**S**TUDENTS facing yearly tuition fees of £9,000 may want to consider taking a gap year, or 50, when they hear about the latest organisation making waves in Bridport.

The University of the Third Age (U3A) is a national movement that targets people who have finished their education and work years and are now enjoying the 'third age' of their life.

The Bridport and District U3A has only been running for just over a year but already has more than 200 members.

Unlike your average students though, you won't find U3A members living off lentils or protesting about tuition fees, as membership costs just £15 for the year.

For that price members can attend monthly meetings with guest speakers and join dozens of groups offering something for everyone from English

Literature and Storytelling to Cryptic Crosswords and Conversational French.

The fees are kept so low because the members themselves run the classes, offering their own expertise in return for each others.

To get a taste of what the organisation was about I joined three different study groups; the first on my list was the musical appreciation group. When I arrived most the members were either aware of why I was there or just wondering where I purchased my anti-ageing cream.

I'd been asked to bring along a favourite piece of music to share with the group, part of the induction process for new members.

I played them The Smiths 'Hand in Glove', a few members tapped along but I'm not sure I converted anyone.

The focus of the group for this week was classical composers and I was

paired up to take on the challenge of a classical music quiz.

I don't really know my Beethoven from my Brahms but with a little help I managed to score a respectable three out of eight.

I won't be swapping Morrissey for Mozart just yet but it was an interesting session and clearly well run by member Keith Windsor. The group is sought-after as well, with a second class just established to cope with demand.

Next up I joined the walking with a purpose group, led by Ian Ibbotson, for a five-mile trek around Little Bredy and Kingston Russell along the Macmillan Way.

With the sun shining I was looking forward to this, until I turned up and was given the map.

I can't remember ever using a map to be honest;

I thought they only existed in pirate stories. With a little bit of help from Ian though I was able to get us round with only the odd slip-up, one of which found us marching through someone's back garden.

My biggest problem as map-reader was trying to keep ahead of 90-year-old group member Elizabeth, who would have left 100m sprint champion Usain Bolt reaching for his water bottle on some of the steeper hills.

Everyone had a chance to catch their breath, however, as we stopped to take in the views over the Bride Valley. The rolling hills of Dorset once again make a welcome appearance in my column and made the five-mile walk more than worth the effort.

My last outing was with the philosophy group, who were discussing the scientific ideals of philosopher

■ IN CHARGE OF THE MAP: Tom Glover joins the 'walking with a purpose' group of Bridport U3A

Francis Bacon.

I did a bit of background reading before I arrived and discovered he wasn't the figurative painter Francis Bacon, nor was he the English sea captain, Sir Francis Drake, and he definitely wasn't the 80s heartthrob who appeared in the film Footloose, Kevin Bacon.

He was in fact a maverick all-rounder who played a leading role in the scientific revolution of the 17th

century. As well as being a philosopher he was an author, lawyer, scientist and disgraced politician. In fact he was such a show off I imagine if he tried he could paint, sail a ship or, if born in the right era, become a Hollywood film star.

I was a bit worried that my lack of knowledge would be frowned upon but it was a friendly group and everyone was keen to help each other and add

their ideas. Taking the lead of this group was Cynthia Griffiths, who again did an excellent job of structuring the debate and making sure all the main points were covered.

If you missed out on university the first time around then the U3A may be the perfect answer for you. Musical appreciation and theatre trips may have replaced those loud late night gigs; wine tasting may have replaced pub-

crawls and the "bird watching" group may have a different meaning to you now than to when you were 17, but all in all the U3A is the perfect way to become a mature student for a fraction of the cost.

To find out more about the U3A study groups, contact Lesley Archibald on 01308 456079. For information on how to join call Diana Coleridge on 01308 424431.

Reduce your electricity bill and **MAKE MONEY** with the solar power people!

Earn over **£800**

Every year for 25 years!

Save energy  
and make  
money with  
solar power

DORSET'S own award winning Ace Energy are the leading suppliers of solar power. Recently they have installed solar at a number of homes within Dorset. With the average electricity bill being around £600 yearly, installing solar on your roof can reduce that bill by up to 50% and provide home owners and landlords with a healthy profit. This is due to the Feed-In Tariff scheme which pays premium rates for power generated from solar power - Dorset households on the scheme are now earning over £850 every year. The tax free, inflation-proof payouts are designed to protect the UK from ever-rising energy prices and help lower carbon emissions. You may have noticed an increase in the amount of roofs proudly showing off their solar panels recently and according to Alan Seviour, Ace Energy's MD, solar has never been more popular.

With interest rates at an all time low investment savvy householders are looking for alternative ways to earn money and solar power offers just that.

## Plenty to do for all the family at village's event of the year

### Welcome to the 20th Charmouth Village Fayre

**W**elcome to the 20th Charmouth Fayre, we hope you will have fun and most of all enjoy the delights of an "old village fayre". We try every year to bring in some new stalls and events and this year is no exception.

Our main events this year are The Blackdown Hills Steel Band and "Jules" (who is a stilt walker, fire eater and has several other tricks up his sleeve!!). Rumour has it that we might have a display from a local "Morris men" team. On top of these new events we will have all our usual stalls and games making a very busy afternoon for all our volunteer helpers. When you need a rest pop down to the tea pavilion for homemade cakes etc and whilst resting you can listen to the Ottery St Mary Silver Band.

If this is not enough please remember from 7pm we will be running a barbeque and bar with live music from "Papa Le Gal" until 10.30pm when the finale will be a spectacular firework display.

2010 was a brilliant year for the fayre, we had an extremely successful end of May Bank holiday evening "Party in the Park" and another super fayre day. This enabled us to buy some new equipment and give just over £3,500 to local organisations. Thank you so much for all your continued support.

If you are a visitor, we hope you enjoy your stay in the village and especially your visit to our fayre.

Any comments, good or bad, please drop me a line to The Court, The Street, Charmouth, Dorset, DT6 6PE or email me at peter@marshall-noel.co.uk.

**Peter Noel, Chairman 2011**

#### Ottery St Mary Silver Band

With roots stretching back to the First World War, the Ottery St Mary Silver Band have become regular guests at Charmouth Fayre, and we welcome them once again this year. The present band has 29 players, many living in and around Ottery St Mary and other travelling from Newton Abbott, Longdown, Sidmouth and Honiton.

They can be found making marvelous music near the pavilion where Theresa and her team will be serving up equally marvelous tea and scrumptious cakes!

#### Art With Petra

## Mini Mania!

The mini is the car that, more than any other, has changed the face of motoring forever. One cannot imagine a cityscape without a mini being present and it is impossible to look at a small car today without seeing very real evidence of the influence the mini has had on it. We hope to have more than a dozen minis from various car clubs on the field, so step back in time and immerse yourself in nostalgia.

## Uplyme Morris

We are a recently revived side, dancing only since 2007 and still 'learning the ropes'. We are always on the lookout for new members - dancers and musicians - and as a small and relatively inexperienced side with a wide range of ages, offer a friendly and gentle introduction to the weird and wonderful world of Morris.

## The Puppetree Company

With over thirty years experience of entertaining audiences,

we employ all forms of puppetry. We have the unique ability to produce a show for any themed event and are fully equipped for stage, cabaret, street performances and festival, with various routines to suit your requirements. Packed full of fun for everyone, Punch & Judy is a celebration of new and traditional routines with all the favourite characters, evoking memories of sunny summer days!

## Papa Le Gal

This colourful, well dressed 5-piece will always deliver an evening of stomping tunes, with positive philosophy reflected in their lyrics. Swinging between afrobeat, latin and funk (plus anything else that takes their fancy) the papa crew never fail to get a crowd moving, representing the sounds of summer and promoting an eccentric festival atmosphere.

## Savers continue to suffer under low interest rates

With continuing low interest rates, many people who rely on their savings and investments to top up their income have continued to be disappointed with returns. Deposit based savings such as bank and building society accounts and cash ISA's offer a guarantee that your capital amount does not decrease but at what risk? What will the buying power of that money be and is your

money devaluing every day that it remains there?

The most important consideration when looking and savings or investments of any kind is diversification, not having all your eggs in one basket and not only avoid holding all you monies in one account but also ensuring that you have a range of assets within your portfolio to ensure exposure to different areas as well as an element of stability though assets with underlying guarantees which can be achieved in a number of ways. The banks are under increasing pressure to make profits, so now more than ever is the time to ensure that you get advice based on what's best for you.

Alison Theobald of Pennywise Independent Financial Advisers can explore all options from across the whole market and has huge numbers of products to choose from depending on attitude to risk right through from basic investment solutions to more advanced bespoke investment management packages.

Fed up with poor returns on your savings and investments call today for your free consultation on 01305 268942.

LOCAL ALBUM LAUNCH FOR  
BLUES STARS THE PRODUCERS

DAVE Saunders and Harry Skinner formed The Producers in 1990. They went on to be one of the most popular blues outfit in the country winning the 'Blues Band of the Year' award four times and releasing seven CD albums, one of which 'Ain't No Love in the World' was nominated for the 'Best Blues Album' award.

The Producers have regular sell out dates at blues clubs worldwide as well as invitations to headline major festivals including Colne, Burnley, Stanley Blues, Dublin Templebar, Cork, Farnham and the North Wales Blues Festival.

Recent festival highlights include opening for Robert Cray playing at Tauranga Blues + Jazz Festival Auckland, New Zealand and being joined onstage by headliner Ray Charles' brass section and his 'Raelets' dancers at the Cognac Blues Festival, France.

After performing at the Alexis Korner Memorial Concert at Buxton Opera House the Producers were spotted by Peter Greens management and asked to support the Fleetwood Mac guitar legend on his first national tour for 25 years.

The Producers will be performing with original frontmen Harry Skinner and bass player Dave Saunders and will be joined by Ray Drury on organ/piano and Biff Smith on Drums and percussion to complete the lineup.

The Producers long awaited new album 'London Blues' will be the first album from the band since 'Live Blues' was released in 2000, a gap of 11 years, consequently it is creating lots of excitement within the blues community and the music industry in general.

The album features guests Paul Beavis (Go West,

Low Riders) Andy Fairweather Low (Eric Clapton, Roger Waters) Dorset's own Ben Waters and five-times blues award winner Paul Lamb on piano and harmonica respectively with all the material being self penned originals.

The album launch concert will be performed at The Electric Palace, Bridport on Thursday, August 18th. Tickets are on sale now for £12.50 from Bridport Tourist Info Centre on 01308 424901.

## 'Highly original' book of poems

AFTER a lifetime spent on the farm and in engineering, countryman John Hounsell retired to Lyme Regis and discovered a new talent - writing poetry.

John has committed some of his favourite verses to a charming book entitled "Memories, Sweet Dreams and Some Nightmares", published earlier this year.

In the preface, former Lyme journalist and town councillor David Cozens, MBE, describes the book of poems as "an evocative insight into his world, touched by the wonderment of the many special memories and experiences which have had an everlasting effect on a varied life".

Mr Cozens went to describe Mr Houn-

sell's style as "highly original but complicated", adding: "He has always been creative through life's journey and his work reflects the tenor of a caring man keen to share joy, injustice and moments of pathos with readers."

There's few subjects that go untouched in this book; some personal, observations on family and life and world affairs.

Mr Hounsell, born on a farm in Long Bredy near Bridport, moved to Somerset to bring up two sons with wife Anne before retiring to Lyme Regis.

He published the book himself and if you would like a copy call the View From offices on 01297 446057.

## Poetry for Pleasure

by Frank McGarry

*"If it ain't a pleasure, it ain't a poem."*  
William Carlos Williams

IN 2006, when this column was named 'Poetry for Pleasure', I was unaware of the above quotation by this famous American writer. It was brought to my attention by Gentleman Jim Morgan of Lyme Regis. Jim is one of four local poets who have collaborated in producing a poetry collection entitled "Dancing with Stones" and published by Four-Square Press. Before he came to live in Lyme, Jim was a child of London as this poem of his explains.

## FAREWELL TO LONDON

*Farewell, you ancient city,  
Farewell, familiar sights!*

*Your parks, your squares, your bookshops,  
Those dear and dead delights.*

*For a while I'll miss you,  
For a while or so  
Memories will haunt me  
With scenes of long ago.*

*In dreams again I'll wander  
On Highgate's wooded slope  
As in youth I wandered  
When life was rich in hope.*

*Or stroll on the Embankment  
Historic Thames beside  
And see its muddy waters  
Mysteriously glide.*

*And on autumn evenings  
As the dusk drifts down  
I'll think of the excitements  
Of nights in London town*

*And sigh as I remember  
Romantic rendezvous  
Among the leafy shadows  
Of a lamplit avenue.*

*O Lyme! Although I love you  
I cannot quite forget  
I am a child of London and  
Love her old stones yet.*

OF course, the London Jim knew in his youth is no longer there. Advancing technology, mass immigration and misguided planners have changed the world he knew.

## LAMENT FOR LITTLE STREETS

*No more clip-clopping horses pulling  
tradesmen's vans  
Or morning cries of 'Milkol!' from milkmen  
clattering cans.  
No roving organ grinders rattling out their  
tunes  
Through long, sleepy, London summer  
afternoons*

*No lucifer lamplighter cycling on his beat  
Lighting up the gas lamps down the dusky  
street  
The little streets of London have lost the corner*

shops

*Where for a few brown pennies we could buy  
lollipops*

*Or liquorice strips or sherbet or fizzy lemonade  
And on their sites have risen the pedestrian arc-  
cade*

*A supermarket monster or a gaudy shopping mall  
An inner city ghetto, hate crawled on every wall.*

*O the little streets of London though they were  
not the Ritz*

*Stood as proud as lions through the terrors of  
the Blitz*

*And it wasn't Hitler's bombers or the devilish V2  
But the money men and planners who were the  
death of you.*

*So I lament your passing in this simple verse:  
We sought to make things better  
But only made them worse*

THE other 'pensioned-off poets' featured in 'Dancing with Stones' are Margery Forester, Brenda Leeming and Audrey Stenton. All are now living in the West Country.

# New Art Exhibition at the Salt House in West Bay

TEN members of the Morcombelake Art Group will have their work featured in an exciting new exhibition in West Bay in August at the historic Salthouse building.

The exhibitors, namely Joanne Brown, Sue Calder, Jan Calow, Annie Clough, Ronnie Creswell, Edna Dorrington, Kay Hicks, Judy Hogarth, Barbara Green, and Sue Warren, work with a wide variety of subject matter, styles and media from prints, textiles, mixed media, watercolours, acrylic and oil paintings, to digital mixed media - so the show promises plenty of interest to all those who enjoy looking at art and more than likely to those who don't as well.

The exhibition will be open on the afternoon of Friday, July 29th and run over the weekend and on Monday, August 1st from 11am to 5pm. Original work, reproductions and artists' greetings cards will all be available off the wall and from the browsers.

Following this exhibition the popular Whitchurch and Morcombelake WI Arts and Crafts exhibition starts at the Village Hall, Whitchurch Canonichorum on Tuesday, August 2nd until Sunday 7th, with a wide range of handicraft and produce, plus art on the wall.

Then, at the end of the month - the Morcombelake Art Group will return to Morcombelake this year for their Annual Art Exhibition over the Bank Holiday weekend from August 27th to 29th, in the local James Hargreaves Community Hall where the latest work by the full group of members will be represented.

## TWELFTH NIGHT ON THE MILLENNIUM GREEN

FOLLOWING a shipwreck, Viola is washed ashore in Illyria, a country where everything is illogical, delirious, and completely topsy turvy. To protect herself she adopts a male disguise. But what use are disguises when Lady Olivia falls madly in love with her, and she herself falls in love with Count Orsino? It could all end in tears - even if most of them are of laughter.

Illyria presents Shakespeare's *Twelfth Night* - an evening of romance, music and sheer and utter joy, performed on a stage inspired by those of the mediaeval touring troupes.

Illyria has won 4 international awards for its open air productions of Shakespeare. As the company celebrates its 20th year it returns to one of the greatest of all English comedies - at the Millennium Green in Bridport!

Programme Manager Margie Barbour said "This is Shakespeare's most successful comedy, the famous scene with Malvolio when he finds the letter is particularly suited to the idyllic open air venue; Millennium Green".

The show takes place on Tuesday, August 2nd from 7.30pm.

Tickets are available at Bridport Arts Centre Box Office for £12, £11 for members, £8 concessions, or £30 family.

# Stunt displays added to Great Dorset Steam Fair line up

ORGANISERS are preparing for what is forecast to be a busy year for the Great Dorset Steam Fair 2011, which takes place from Wednesday, August 31st to Sunday, September 4th in Tarrant Hinton, Dorset.

The new attractions for 2011 predicted to bring in more visitors are the brand new stunt displays, which will be in Arena 2 situated in the centre of the site near the Rural Craft Marquees.

The new stunt displays include demonstrations by The White Helmets, part of the Army and in particular the Royal Corps of Signals. This will be the first time The White Helmets, a mixture of unique feats of balance, skill and coordination and high impact high speed cross over rides, will feature at the Steam Fair. The team was formed in 1927 making it the oldest motorcycle display team, featuring popular trademark acts such as the fire jump, car jump and reverse rides.

The International Big Pete Monster Truck Display Team, which features racing, car crushing and a tug of war where a car is pulled in two,

is also a new stunt display for this year. The UK's number one Monster Truck team provides a unique approach to monster truck displays and is expected to be hugely popular. The team's spectacular and exciting shows have captivated crowds at many high profile events across the UK and Europe for over 30 years.

This will be the 43rd year of the event run by Managing Director Martin Oliver, son of founder Michael Oliver. Martin says: "We have been gearing up in all areas of the show this year to offer even more for visiting families, and we have made significant improvements in the way of live music performances. There has been a huge amount of interest in the new stunt displays already and ticket sales are up compared to this time last year. The busiest time for ticket sales is yet to come, so we are in the process of preparing for what we hope will be a record number of visitors."

# Special Screening of Flying Monsters

Sir David Attenborough will also give live Q&A by satellite following screening

AS part of the Electric Palace's link with the National Theatre Live, a special screening of 'Flying Monsters' followed by a live satellite Q&A with Sir David Attenborough will take place at the Electric Palace at 4pm this Saturday (July 30th). Tickets are on sale from Bridport Tourist Information Centre for £6 adults and £3 children under 16s.

'Flying Monsters' is a groundbreaking film that uses cutting-edge technology and CGI to bring the story of giant flying monsters and their prehistoric world to life. Audiences of all ages will be in awe as they enter the world and experience, as never before, REAL Flying Monsters!

Our beautiful stretch of coastline has an unparalleled geology, an impressive fossil heritage and World Heritage Site Status which earned its title of the 'Jurassic Coast' and as such, much of Attenborough's BAFTA winning 'Flying Monsters' was filmed locally at Lyme Regis as well as from glider planes from North Hill Airfield.

The greatest fossil hunter ever known was a woman from Lyme Regis. Mary Anning's discoveries were some of the most significant geological finds of all time. They provided evidence that was central to the development of new ideas about the history of the Earth.

220 million years ago dinosaurs were beginning their domination of Earth. But another group of reptiles was about to make an extraordinary leap: pterosaurs were taking control of the skies. The story of how and why these mysterious creatures took to the air is more fantastical than any fiction.

In 'Flying Monsters', Sir David Attenborough the world's leading naturalist, sets out to uncover the truth about the enigmatic pterosaurs, whose wingspans of up to 40 feet were equal to that of a modern day jet plane.

This promises to be a terrific event and fantastic for children too! It is advised to buy tickets early to avoid disappointment.

# Panto Society prove variety isn't dead!

THOSE who believe that variety is dead were clearly not in the vicinity of the Marine Theatre last week when Lyme Regis Pantomime Society staged their annual summer show.

Billed as "Showtime – an evening of musical variety", the society's "Comedy Tonight" production demonstrated just how much talent of all ages they are able to summon every year to continue the tradition of summer entertainment at the theatre by the sea.

By Philip Evans

Produced by society stalwart Shirley Colley and her highly talented daughter Tina Paveley, "Comedy Tonight" had all the ingredients of an old-time variety show – song and dance routines galore and loads of laughs.

The show was beautifully dressed, as to be expected of any production staged by Shirley Colley, and the dance routines, choreographed by Kathy Smith, Tina Paveley and Louise Powell set the pace from the time Tina Paveley opened the show with two classic Victoria Woods at the piano – "It Would Never Have Worked" and "Let's Do It" through to the closing number, "There's no business like show business" (what else?).

Few would attempt the tongue-twisting lyrics which have made Victoria Woods one of the most accomplished female entertainers of our times, but Tina Paveley is a supremely confident performer and this performance demonstrated the extent of her versatility on the stage.

There were a few other notable performances which had the audience in raptures – not least the two contributions from the talented Luke Street whose ambition is to appear on the West End stage. If his renditions of "I Hear You Sing" from Phantom of The Opera and "Stars" from Les Miserables are any indication, sparkling stage career beckons.

For me another high point of the show was the duet between Tina Paveley and Brian Rattenbury, one of my favourite local stage performers, whose performance of "A Little Priest" from Sweeney Todd was seriously impressive.

Seasoned all-rounder, Nicky Sweetland, also impressed with her rifle-toting "You Can't Get A Man With A Gun" from the musical Annie Get Your Gun.

Another crowd pleaser was the "Cell Block Tango" from the West End musical Chicago featuring Amy Street, Dawn Street, Gemma Hattan, Nicky Sweetland, Tina Paveley and Amanda Rattenbury.

Well done also to all those youngsters who danced and sang their way through multiple routines and Jake Causley deserved the rapturous applause he received for his two saxophone solos.

All in all, an enjoyable evening.

The full cast: Sarah Causley, Shirley Colley, Val Hawkins, Frances Hall, Gemma Hattan, Georgie Harwood, Tina Paveley, Louise Powell, Amanda Rattenbury, Bev Rattenbury, Kathy Smith, Hasina Baker, Amy Street, Dawn Street, Alisha Studley, Nicky Sweetland, Kate Wootton, Karisma Girls, Jake Causley, Rob Cross, Brian Rattenbury and Phil Street. The evening was compered by Roy Wootton in his usual amusing manner.

Behind the scenes: producers – Shirley Colley and Tina Paveley; choreographers – Kathy Smith, Tina Paveley, Amy Street; pianist – Penny Bartholomew; costumes – Shirley Colley; sound – Mike and Winnie Donno; lighting – Ant Hutchings; front of house – Jill Pack and friends; Bookings – Primary Colours.

At the end of the two shows a collection was made in aid of Cancer Research UK

Brewery tour

Visit Palmer's - the oldest  
thatched brewery in the UK

We welcome visitors to our Brewery from Easter to September. The fascinating guided tour starts at 11 am on every weekday and lasts for about two hours. These specialist tours are very popular and we do advise you to pre-book. The charge we make enables you to see every stage of the centuries-old brewing process. We'll also offer you a glass or two of Palmer's ale or a soft drink, and you will also be presented with a commemorative glass tankard. # Sublime Folk returns to the Palace

SUBLIME Folk returns to the Electric Palace on Friday, August 5th.

Performing on the night will be a collective of three superb acts which compliment each other perfectly. Revel in the unstoppable energy and showmanship of Bridport's own banjo & fiddle whiz Stompin' Dave. Mellow out to the beautiful harmony of award winning acoustic duo Tinderbox. Delight in the remarkable musicianship, and effortless stagecraft of Maurice

Dickson from Northern Ireland. Topped off with the sublime Irish pipes of Catherine Ashcroft.

Gabby Rabbitts of Bridport's Electric Palace described Sublime Folk's debut event as "A triumph". Organiser and promoter Stompin' Dave states "Sublime Folk was originally envisaged as a one off event last summer at The Electric Palace. It was such a successful and enjoyable evening that we decided to put together a short tour in the spring, which harvested a good bunch of winning evenings across the south including a cracking night at The Dorchester Corn Exchange. Its great to be back at The Electric Palace which has been a great springboard for Sublime Folk."

Headlining the event is Belfast born Maurice Dickson, a professional musician for over thirty years who has built an enthusiastic audience for his powerful brand of contemporary folk, Irish folk & blues. This journeyman has toured across the UK, Ireland, Europe and America. He has performed at many of the major folk festivals including Sidmouth, Edinburgh, Shetland, Belfast, Limerick, Aaron, and Cork. Maurice a terrific songwriter performs his own beautifully crafted original songs in tandem with traditional instrumental music showcasing the wonderful uilleann pipe player Catherine Ashcroft.

Tinderbox an original acoustic folk duo feature the

honey-like vocals of Monique Houraghan, and the intricate finger style guitar of Dan Tucker. Bournemouth based Tinderbox were recently awarded Best European Revelation Group 2010 and have performed across the UK, and the USA. Recently they gave a headline appearance at Dublin's famous Whelan's and embarked on a Cafe Nero sponsored tour of the UK.

Stompin' Dave the driving force behind Sublime Folk performs American roots music on vocals, guitar, five-string banjo, fiddle, harmonica, and flatfoot dancing. Dorset based Dave has been very active the past ten years working across the South of the UK and beyond, giving well over a hundred and fifty performances each year. He has performed at Glastonbury Festival, The Great Dorset Steam Fair and the Tolpuddle Martyrs Festival to name but a few. Dave toured Ireland this spring and was recently described as "One of the world's greatest performers" by Maverick Magazine. Dave has already promoted two very successful

events at the Electric Palace this year including the Winter Blues and Good Ol' Bluegrass concerts both of which had over one hundred and seventy people in attendance.

The performance starts at 8pm with doors opening at 7pm. For tickets please call or visit Bridport Music (01308) 425707 or Bridport TIC (01308) 424901 For online ticket sales visit the website [www.sublimefolk.com](http://www.sublimefolk.com).

## Last three luxury family homes available on exclusive hillside development

JUST a year after building work began at Blue View, one of the Westcountry's most stunning new coastal developments, only three luxury family homes remain for sale.

Less than a mile from the historic centre of Lyme Regis and with panoramic views over Lyme Bay, eleven of the large four and five bedroom detached homes, which are named after celebrated authors, have already been snapped-up.

The select development by South West homebuilder Cavanna Homes, is in an elevated position on the northern edge of the town, just on the Devon, Dorset border and adjacent to Woodroffe School. Its proximity to some of the region's best primary and secondary schools, including Mrs Ethelstone's Primary in Uplyme and Colyton Grammar School, has attracted families with young children and teenagers alike.

The Sheridan, a four bedroom, three storey split level home, available for £550,000 offers the opportunity of independent living for older teenagers or elderly relatives, in the form of a ground floor that can be "annexed".

Head of Sales and Marketing for Cavanna Homes, Andy James said: "The layout of the Sheridan is appealing to people who may have an elderly relative who enjoys their independence yet appreciates having someone is close at hand."

He explains "The ground floor can be turned into a separate annexe, with its

own entrance, small kitchen area, bedroom and living room, leading onto the garden. This living arrangement may also appeal to parents who welcome the opportunity of a separate entrance, for older teenagers coming home late at night!"

Also available are two Ruskin-style properties, with four bedrooms and living accommodation spread over three storeys. There are two en-suite bedrooms and the spacious living accommodation includes a separate dining room, study, utility, downstairs cloakroom, garage and parking. The two Ruskin-style properties still available are on offer from £480,000.

Providing low maintenance energy efficient living, these high specification homes have been finished to an impressive standard with integrated appliances, contemporary fitted kitchens and bathrooms.

Situated between Lyme Regis and Uplyme, Blue View is within easy reach of Lyme Regis town centre and shops, and less than a mile from the seafront and famous 'Cobb'.

For latest details and availability please contact the Sales Office on 01297 444852 Thursday to Monday inclusive 10am - 5pm or email blueview@cavanna.co.uk

## Blue Chip Holidays Launches £200 Holiday Home Referral Reward Scheme in Dorset

BLUE Chip Holidays, one of the fastest growing luxury self-catering holiday home providers in the UK, has launched a new referral reward scheme in Dorset designed to earn property referrers £200 for each holiday home taken on by the business. The scheme is being launched to enable Blue Chip Holidays to keep up with this year's runaway demand for its high-end four and five-star self-catering properties in Dorset, across

the South West, the Isle of Wight and Wales.

Under the scheme, anyone referring a property that goes on to join its portfolio will receive a £200 Marks & Spencer voucher, and there's no limit to the number of properties that can be referred or the number of vouchers that can be earned\*. Matthew Boe, Dorset Portfolio Development Manager for Blue Chip Holidays, commented on the scheme, saying: "This year alone

bookings in Dorset are eight times higher than they were in 2010, and if we are to keep up with demand over the peak summer weeks, the rest of the year and into 2012, we urgently need to boost our portfolio of high-end properties.

He added: "We want to encourage people to actively think about friends and family who have properties that are lying empty or are underperforming on the long-let market. These could be earn-

ing thousands or even tens of thousands of pounds more a year. When you consider that a two-bedroom house could generate an income of £15,000 to £20,000 a year, while a larger property can reach in excess of £50,000, a simple referral could bring huge financial benefit to friends, colleagues acquaintances or relatives. It could also earn the referrer a £200 Marks & Spencer voucher, making it a win-win situation for all concerned."

Blue Chip Holidays aims to expand its portfolio from over 850 properties to well in excess of 1,100 holiday homes by the end of the year. Anyone interested in referring a property should log on to www.bluechipowners.com for full details. Alternatively, properties can be referred by calling 0844 7044987.

## How to reduce the cost of motoring

THE cost of fuel is ever increasing and burdens everyone who depends on their vehicle for getting about. Vehicle maintenance is also an expensive but necessary evil.

Long journeys can be high on fatigue and stressful.

You also may be concerned about pollution – greenhouse gases as well as noise – global warming and the

world we leave to our children and grandchildren. You can now do something

wRIGHT DRIVING is offering a half day course for drivers who want to address all or some of these issues.

The course is designed for two people, maybe friends or relatives, but you may be teamed up with another individual.

The course will assess

your current style of driving then a brief presentation and demonstration drive will show you how to reduce those motoring costs.

There is then an opportunity to practice with full tuition from your trainer.

Then it's up to you. In the weeks and months that follow you will, if you practice the techniques:

- Save between 5% and 17% of your fuel bill (Driving Standards Agency figures)
- If you drive 15000 miles per year, with present fuel costs, you could recover the course cost as soon as 5 weeks on fuel alone.
- Reduce wear and tear on your vehicle.

Each candidate will be issued with an Eco-Driving Guide to refer

to in the future.

Driving trainer Haydn Wright said: "Eco-driving is the way ahead."

"With a little training and practice to modify your driving techniques you can make an amazing difference to your fuel bills, vehicle maintenance costs and pollution emissions with minimal difference in your journey times."

"The course is ideal for both business and private drivers and would make an ideal gift for a friend or relative."

"The course pays for itself within a few weeks but that will depend on the drivers average mileage."

## Škoda 'most satisfying brand to own' according to Which? Car survey

ŠKODA is the UK's most satisfying car brand to own... and that's official.

The Czech manufacturer has ranked number one in the 2011 ownership survey by highly respected consumer publication Which? Car. ŠKODA scored a top-ranked satisfaction rating of 88.4 per cent, putting it ahead of every other car manufacturer in the survey.

As well as being named the overall most satisfying brand, four ŠKODA models made it into the survey's top 10 products – the multi-award winning Yeti (4th); the flagship Superb Estate (6th); and two generations of the Superb Hatch (9th and 10th). All of them achieved approval

scores higher than 94 per cent, an exceptional performance.

Both hatch and estate derivatives of the Fabia and Superb were also highlighted as 'best buys' in the survey.

Which? Car Editor Richard Headland commented: "If you really want to know about cars, ask the experts – the people who drive them every day. Motorists have told Which? Car that they love practical, good value cars, exemplified by ŠKODA."

Robert Hazelwood, ŠKODA UK Brand Director, commented: "We are delighted with the survey results. It shows just how highly Which? readers rate our products and services. We're very proud of the excellent engineering, industry-leading customer

service and great value in every one of our cars, and pleased we're giving people what they really want from the car ownership experience."

The Which? Car survey is the largest of its kind in the UK – and has been for the past five years – with more

than 63,000 new and used cars rated. Between December 2010 and March 2011, 52,563 people told Which? Car about the 63,727 cars they owned.

The survey asks owners to rate out of five how satisfied they are

with their cars, and how likely they are to recommend them to friends. By combining the responses, Which? Car awards a Customer Score out of 100 per cent.

See the full survey results at [www.which.co.uk/cars](http://www.which.co.uk/cars).

## Fewer pedestrians killed as drivers stop speeding

LATEST road safety figures from the DfT show that compliance with 30mph urban speed limits continues to improve while pedestrian fatality levels are falling.

In 1998, 69 per cent of cars were driven faster than the limit in 30mph zones in free-flow conditions – by 2010 this had dropped to 46 per cent. Those exceeding 40 mph in a 30mph limit has halved since 2003, now down to 16 per cent. At the same time, traffic levels are declining on all types of road – a trend observed from 2006 onwards.

Pedestrian fatalities have also reduced significantly, down 40 per cent since 2005 from 671 to 405. Ninety-six per cent of pedestrian accidents happen on urban roads.

Reducing traffic speeds and risk in towns has been high on the road safety agenda, but rural roads, on which drivers are still most likely to be killed, now require even greater priority to re-

duce casualties further.

IAM director of policy and research Neil Greig said: "The good news is that drivers are not driving faster on the less crowded roads – and more people are sticking to the limit in urban areas where there are many hazards. A combination of consistent road safety messages, new road layouts and police enforcement appears to be paying road safety dividends for city people."

"However despite this positive effect in urban areas, road safety on rural roads, where the majority of serious accidents and fatalities occur, needs much more attention. In the UK, between two-thirds and three-quarters of fatalities occur on rural roads, yet driving on rural roads still isn't a mandatory part of the basic driving test. Most young drivers get plenty of exposure to urban hazards but often their first experience of a rural road comes after the test when they are on their own. This is unacceptable."

# Beach rugby fun in Weymouth

■ **OVERALL WINNERS:** Ridgeway Rugby were the overall Cup winners, beating Dorchester Adults 1 in the final

■ **BOWL WINNERS:** Kick Ass beat Dorchester Kids 2 to the Bowl

■ **TAG!** Weymouth Ladies versus Old Gits

## Words and photos by CHRIS DAVIS

DESPITE the early rain 20 teams turned up for a fun day of beach tag rugby in Weymouth, including groups from Sherborne, Dorchester, North Dorset, Warminster and even London.

The teams that entered were: Sherborne U16s, James Davis All Stars, Chav's Fat Boys, three Dorchester children's sides, two Weymouth 'Old Gits' sides, Ridgeway, Weymouth Wet Fish Ladies, North Dorset U15s, Weymouth Pirates, Weymouth Buccaneers, Warminster Heroes, two Dorchester adults' teams, Weymouth Pink Ladies, Kick Ass and two 'Hitz' teams.

The first round of games saw the teams divided into four pools of five teams and even with the heavy rain in the morning there was some good rugby on display.

Pool A was won by Chav Fat boys, with Sherborne U16s runners-up. Ridgeway Rugby on Pool B with North Dorset U15s taking second spot. Pool C was won by Dorchester 1 Adults with Warminster Heroes runners-up. Old Gits took Pool D, with the other Dorchester Adults side the runners-up.

As the weather started to warm up, the teams moved into the knockout stage. In the Thimble (for fifth place teams) Dorchester 1 Kids narrowly beat Weymouth Wet Fish Ladies in the first semi-final and Hitz 2 beat Weymouth Buccaneers. In the final, Hitz 2 beat Dorchester 1 Kids to finish in fifth place overall.

In the Shield (for fourth place teams) James Davis All Stars beat Weymouth Pirates and Dorchester 4 Kids beat Hitz 1. In the final, to decide overall fourth place, James Davis All Stars beat Dorchester 4 Kids.

In the Bowl (for third place teams) Old Gits 2 lost to Dorchester 2 kids and Weymouth Pink Ladies lost narrowly to Kick Ass in the semis. Kick Ass beat Dorchester 2 Kids in the final to finish in third place overall.

In the Plate (for second place teams) Sherborne U16s beat North Dorset U15s and Warminster Heroes drew with Dorchester 2 Adults; Sherborne went on to win the final and finished overall runners-up.

In the main cup semi-finals, Chav's Fat Boys lost to Ridgeway Rugby and Dorchester 1 Adults beat the Old Gits. Ridgeway Rugby narrowly beat Dorchester Adults 1 in the final to be crowned overall winners.

Well done to everybody who took part and a special thank you to the Dorset and Wiltshire Society of RFU Referees for providing the refs, the RFU for providing support on the day and the volunteers that helped to set up and run the event: Glyn Arnold, David Stone, Andy Martin, Mike Murphy, Jackie Arnold, Sally Chittick and Denise Davis.

## HOWZAT! - The West Dorset cricket scene

WITH STUART BROOM

### DORSET FUNERAL PLAN LEAGUE

#### Premier League

##### DORCHESTER 1ST XI

*Dorchester 101-2 beat Ferndown Wayfarers 100 all out by eight wickets*  
DORCHESTER got back to winning ways after their thumping by Poole Town two weeks ago with an easy eight wicket victory over bottom side Ferndown Wayfarers.

Having slipped up against the East Dorset side in the reverse fixture back in May, the county town were determined not to repeat their experience.

Opening bowlers James Dunham (3-17) and Dan Floyd (2-23) bowled accurately and making the ball swing, started the visitors downfall. Dunham dismissed the top three and with Floyd bowling J Rafferty, Ferndown were reduced to 34-4.

Phil Morley (2-22) then took two quick wickets before Rob Waite (1-6 off seven overs) removed C Armstrong in his first over as Ferndown slumped to 39-7.

A spirited eighth wicket stand of 40 between Sanjay Lankage (29 not out) and J Brooks (8) together with 14 from Rob Stammers held Dorchester up for while before Dan Belt (2-21) brought the innings to a close after 41.3 overs.

Dorchester didn't make the best of starts themselves, losing Steve Gerety in the second over to Neil Sexton, but with Waite anchoring one end to carry his bat for 34 not out, he and Quenton Miller added 57 for the second wicket before Miller was bowled by Rafferty for 38.

Belt (16 not out) joined Waite and they took no time in passing the target in just 23.3 overs.

##### WEYMOUTH 1ST XI

*Weymouth 183 all out lost to Broadstone 184-2 by eight wickets*

DESPITE a good opening partnership of 58, Weymouth's batting collapsed and in the end did well to post a target of 183 all out against high flying Broadstone.

Kieron Womble led the way with a fine half century but when he lost Dean Janaway, four more wickets went down for just 11 runs. Although Faraz Ullah (29) and Ben Doidge (30) put together a decent partnership later on, with Steve Trembath (5-45) in good form the Seasideers were dismissed in 43 overs.

In reply Broadstone's openers put on 77 for the first wicket before Sam Chapman was dismissed for 36, but Matt Thomas continued the onslaught before he was out for 80 just short of the victory target.

#### Division One

##### WEYMOUTH 2ND XI

*Shroton 128-2 beat Weymouth 2nd 127 all out by eight wickets*

WEYMOUTH slumped to the bottom of Division One after their eight wicket defeat at the hands of Shroton in their basement battle.

#### Division Two

##### BEAMINSTER 1ST XI

*Beaminster 245-6 lost to Wimborne & Colehill 2nd 313-5 by 68 runs*

BEAMINSTER are running out of games to save themselves from relegation after they were well beaten by fellow strugglers Wimborne & Colehill 2nds at the Memorial Playing Fields on Saturday.

Having removed their openers for just 34, a third wicket stand of 99 put them on the back foot before Wilson savaged them with a century, and although nearly every Beaminster batsmen scored runs they could not match the required run rate.

Wimborne won the toss and batted on a wicket with a short boundary closest to the bank. Beaminster's opening bowler Simon Jones (2-53) and skipper Ross Baker applied pressure as they swung the ball and found movement off the pitch and Baker made an early breakthrough bowling Stratten, before Jones had Hall (28) caught.

They continued to tie down the visitors and helped by a number of dropped catches crawled to 66-2 after 22 overs before eventually Kerins (41) and opposing captain Chris Dunk got on top.

A brutal passage of play followed with Wimborne flaying the Beaminster bowling to all parts of the ground particularly peppering the short boundary as Dunk (81) and the excellent Wilson (104) hit 180 off 15 overs

None of the bowlers escaped punishment as Beaminster had no answer to the onslaught, and Wimborne closed on a daunting 313-5 off of their 45 overs.

In reply, Beaminster's batsmen showed some fight and character taking advantage of some sloppy bowling. Openers Rich Runyard and Fred Everitt each scored 24 whilst Nick David (45) and Jones (64) put on an excellent 85 run third wicket partnership. Will Everitt (30) and Dan Hillier (31 not out) also played well together as Beaminster closed on 245-6 but unfortunately it was not enough for victory.

##### DORCHESTER 2ND XI

*Ferndown Wayfarers 2nd 165 all out lost to Dorchester 2nd 190 all out by 25 runs*  
DORCHESTER 2nds held their midtable position after a 25 run win over bottom side Ferndown Wayfarers 2nds.

#### Division Three

##### BRIDPORT 1ST XI

*Bridport 127 all out lost to Shillingstone 217-8 by 90 runs*  
BRIDPORT are to invest in a bowling machine to grace their new cricket nets which were recently opened. Unfortunately it is unlikely to help them this season as another batting collapse saw them go down against league leaders Shillingstone to leave them rock bottom.

"Confidence is very low at the moment," said skipper Mark Smith, "and we appear to have a problem building partnerships and in our shot selection."

"The bowling machine won't help this season, but hopefully will be an asset next year."

Bridport contained the free scoring visitors quite well early on and were glad to dismiss the openers Marshall (26) and Andrews (27) who had done well in the reverse fixture, for relatively low scores, but with all the top five making good contributions the score crept above the 200 mark.

Dave Herbert was the main wicket taker with 4-42, but there were good stints also from Wes Lewis and Dave Backhouse.

Herbert (28), Liam Toohill (10) and Sam Challis saw Bridport passed the 50 mark but they capitulated from 52-1 to 127 all out with only Luke King (23) showing any resistance. Marshall claimed 5-31 off 11 overs and Edwards 3-29.

Bridport have a crunch match this Saturday when they entertain Blandford 2nds who sit just above them in the fight for the wooden spoon.

##### CATTISTOCK

*Portland RT 140-6 beat Cattistock 139 all out by four wickets*

IN A game that could have gone either way, it was a third wicket stand of 67 between Simon Proffitt (34) and Jan Davey (36) that gave Portland RT the edge.

Batting first Cattistock were reduced to 19-3, but aided by 47 extras - all but eight of them wides - and 24 from Bradley and 20 from Ben Golledge who featured in a seventh wicket stand of 51 with Buddy Langford (18), the visitors posted a total of 139 all out.

Although Portland collapsed to 110-6 after Proffitt and Davey had appeared to have taken them to the edge of victory, their seventh wicket pairing resisted Cattistock's attempts in using seven bowlers, to see them home. Tim Hey (2-7) and Billy Walbridge (2-32) returned the best figures for the visitors

##### MARTINSTOWN 1ST XI

*Martinstown 149-4 beat Compton House 147 all out by six wickets*

MARTINSTOWN maintained their grip on second place with this comprehensive victory over Compton House.

The visitors won the toss and decided to bat and all their top six batsmen made double figures with captain N Price top scoring with 37.

However no one really got on top of the bowling led by Stuart Fry who took 5-34 from ten overs well supported by Matthew Camp (2-27) and Danny Dancer (1-28) and the more expensive Liam Banfield (2-54).

Martinstown lost Ed Nicholls (0) and Tom Adams (2) with less than double figures on the board to Price (2-32), but a wonderful third wicket century stand between Henry Lewis (51 not out) and Fry (72) set up the victory

Sideline skipper Nick Quintrell said: "Another really impressive performance from our team in the field and with the bat. Matt Camp bowled superbly at first change getting the ball swinging both ways and Stu bowled with customary fire and was well worth his 5-fer. We are beginning to bowl and field well as a unit and making things tough for opposition batsmen"

"After losing Ed and Tom with the score below 10 we could easily gone into our shells but Hennes (Lewis) and Stuart batted with great skill and authority and we chased the runs down in 27 overs.

"These two admirable young cricketers are both the product of Martinstown's brilliant junior system as were nine of the eleven who played on Saturday, which emphasises the benefits of investing in youth."

#### Division Three

##### BEAMINSTER 2ND XI

*Poole Town 86-7 beat Beaminster 84 all out by three wickets*

DESPITE a magnificent bowling display by Ade Phillips, Beaminster 2nds just failed to register their second win of the season.

Runs were hard to come by at the Canford Arena and Alex Atkinson's 18 in Beaminster's total of 84 all out was the highest score on either side. Dave Penman was his usual resolute self, occupying well over half the overs avail-

able for his 14 runs, with the only other batters to make double figures being Josh Singleton and Shaun Annetts.

However a shock appeared to be on the cards when the hosts replied when they were reduced to 33- 6, thanks largely to Ade Phillips's magnificent haul of 5-18, but they ultimately had sufficient depth to see them across the finishing line.

##### WEYMOUTH 3RD XI

*Hamworthy Rec 2nd beat Weymouth 3rd - (scratched)*

#### Division Five

##### DORCHESTER 3RD XI

*Pimperne 138-3 beat Dorchester 3rd 134 all out by seven wickets*

A POOR batting performance on a very batsmen friendly wicket proved costly as Dorchester 3rds lost by seven wickets to fellow promotion candidates Pimperne; an excellent 81 not out from the experienced Ian Davis seing Pimperne through to victory.

Dorchester batted solidly after losing Oliver in the fifth over. However a 50-run partnership between Jae Miller (43) and George Thomas (18) came to an abrupt end when both batsmen, who looked well set for big innings, were caught behind with the score on 69-3.

When Quinten and Lucas fell leg before to Andy Kelly, Dorchester were left struggling on 78-5, but Rhys Cole decided to attack the bowling and smashed a quick 23 off 10 balls but a further two wickets fell without adding any runs on 113-7. A cameo partnership of 21 was added by 14-year-old debutant Jake Pike (14) and England Disabled International Callum Tucker (8).

Pimperne innings started cautiously against the young Dorchester attack of Pike and 16-year-old Karl Malone. It was Pike who claimed his first senior wicket when he had the experienced Kevin Langdown caught by Thomas at point fending away a short ball with the score on 17, but 40 quick runs were added by Ian Davis and captain Greg Regan before Regan was bowled by the opposition captain Pete Tucker for a quick fire 26 with the score on 57-2.

No further wickets were lost until the innings was nearing to a close when Mark Coy was well caught at deep mid on by Miller off Cole. Fittingly it was left to the experienced Ian Davis (81no) to smash the winning boundary and wind up a good seven wicket victory.

The Dorchester skipper Tucker said: "Pimperne are a very good experienced team and it was a men against boys scenario, which is bound to happen at times with a young team. They were able to adjust well to batting conditions and only Jae Miller and Rhys Cole did that for Dorchester. Bowling is always very difficult at Pimperne but hopefully the Dorchester young lads will have picked up a few pointers in their cricket education."

#### Division Six

##### ABBOTSBURY

*Branksome 2nds 207- 5 beat*

*Abbotsbury 185 all out by 22 runs*

ABBOTSBURY fell to a close defeat on Saturday at the hands of Branksome. Bowling first, the Swans' attack did not have its usual potency, allowing the home side to post a challenging target of over 200, with the visitors gaining only two bowling points.

The Abbotsbury batsmen did make sure of the full five batting points, but were dismissed 20 runs short of their goal, eventually missing out by only two runs on the three point bonus for reaching within ten per cent of the target.

Skipper Simon Pengelly said: "It was disappointing as we had a strong side out this week. The team are now looking forward to our crunch clash with local rivals Bridport."

##### BRIDPORT 2ND XI

*Sturminster Marshall 212-6 beat*

*Bridport 2nd 94 all out by 118 runs*

LEADERS Sturminster Marshall eventually won through to maintain their lead in Division Six although Duane Gay gave them a bit of a shock by taking three quick wickets after they had got a start.

Gay bowled Tony Lockwood (12) after the openers had put on 39 for the first wicket and then immediately sent Alex Filleul back to the pavilion for a duck. When he bowled the other opener Jon Warren for 24 the hosts were suddenly 42-3.

However Ross Humphrey steadied the ship and although Duane Gay (4-48) bowled Paul Maitland (12) to leave them 70-4, Humphrey (77) and Will Gage (48) added 98 for the fifth wicket before they became victims of Rodney Gay (2-46) leaving Tim Smith 23 not out as Stur closed their innings on 212-6.

Bridport made a solid start in reply with Rodney Gay (24), Tom Melandino (10) and Duane Gay (32) seeing them past the 50 mark, but Humphrey made it a day to remember as he ripped through the Bridport lower order claiming 5-17 and with Filleul (3-22) they demolished the visitors for just 94 all out.

Captain Jamie Dolman said: "Having won the toss I de-

cided to filed as the wicket was green and in Duane Gay and Brian Riggs we had two bowlers who could exploit some swing, and it worked early on with Duane getting four wickets.

"Because of shortages we had three lads under 15 playing, but they all acquitted themselves fairly well, and the team fielded reasonably well also."

#### Division Eight

##### MARTINSTOWN 2ND XI

*Stalbridge 3rd 48 all out lost to*

*Martinstown 227 all out by 179 runs*

MARTINSTOWN 2nds recorded an easy win over Stalbridge 3rds after being asked to bat first.

Opener Liam Moss (38) provided a good platform for the innings before skipper Tom Bracey (51) took over the mantle, hitting six 4s and two 6s in his half century. He got lower order support from Chris Monteith who included six 4s in his 37, with M Drake (5-30) the best of the home bowlers.

Only four Stalbridge batsmen scored runs in reply with opener and captain A Balchin top scoring with nine (after extras 24) as the Martinstown bowlers ran riot.

Opening bowlers Chris Read (3-11) and Alex Skidmore (2-24) set the pace but it was the support bowlers who cleaned up with Monteith claiming 2-0 from three maidens and Declan Croft 2-2 from three, whilst Robin Fello claimed the last wicket with his third ball.

### LONGHAM GARDEN MACHINERY SUNDAY LEAGUE

#### Division Four

##### SYMENE

*Portland RT 209-8 beat Symene 158 all out by 51 runs*

THIS game between the top two sides could have gone either way with both having opportunities to win.

Portland RT, as in the reverse fixture, got off to a great start with Chris Leak (71) and G Price (44) putting on 127 for the first wicket. However once the Symene bowlers made the breakthrough wickets tumbled. They had a great chance to make their job easier when with the hosts struggling on 186-6 the visitors put down two simple catches in successive balls, allowing Portland to post a target of 209-8. Marcel Grunschloss with two wickets in his last over took 3-51 with Colin Willcox (2-46), Liam Toohill (2-47) and Graham Bartlett (1-31) sharing the other wickets.

Symene appeared well in control in reply with Sam Challis and Liam Toohill going strong in a 60 run third wicket stand. Portland heads began to drop but the unfortunate run out of Toohill (63) saw Symene capitulate with some poor shots and decision making and they were eventually dismissed for 158 all out.

##### CHARLTON DOWN

*Stalbridge 239-2 beat Charlton Down 185-7 by 54 runs*

CHARLTON Down down Stalbridge too strong for them and as a result fall further behind their hosts in the fight for third place.

### READERS' MID-WESSEX LEAGUE

#### Division One

##### BROADWINDSOR

*Broadwindsor 170 all out beat Cranmore 168-8 by 2 runs*

NEEDING four off Ross Baker's last ball Cranmore could only manage one and went down to a two run defeat in an exciting match.

Put into bat, Broadwindsor were bowled out for 170 with Chris Park (51) striking an excellent half century supported by Joe Hawkins (39) and Baker (23).

The game ebbed and flowed as Cranmore, for whom J Williams hit 50, lost wickets at regular intervals to the bowling of Baker (2-25), skipper Adie Phillips (2-30) and Park (2-29).

### FRANCIS CLARKE DEVON CRICKET LEAGUE

##### UPLYME & LYME REGIS 1ST XI

*Uplyme 177 all out beat Honiton 112 all out by 65 runs*

MARK Brimicombe was the star of Uplyme's innings of 177 against Honiton on Saturday, as he scored a splendid 59 not out. Steve Batey's 26 and Caddy's 22 also contributed to the defendable total.

As it was, only Honiton's Beighton (33) and Holmes (40) had any response to the Uplyme attack of Messrs Caddy and Caddy, with the brothers taking figures of 4 for 19 and 4 for 29 respectively. Honiton were all out for just 112 and Uplyme won by a satisfying 65 runs.

#### D Division (East)

##### UPLYME & LYME REGIS 2ND XI

*Honiton 284 for 6 beat Uplyme 167 all out by 117 runs*

NOT so much luck for Uplyme's second string with Paul Crompton the pick of the bowlers (4-52), and Oli Borgeat (45) and Shannon Grossberg (47) best with the bat.

# LYME REGIS BOWLS

WITH PAUL MOFFITT

WHAT a difference a week makes, back to the old ways in the county leagues.

That said, the men's 'B' team scrambled home with one shot to spare to earn eight points whilst the championship side went down by one shot and received just two points!

The ladies had a difficult outing at top of the league Poole Park, but did manage one point for a draw on Sue Rowe's rink.

The 'A' team managed just two points even with the services of Barry Rattenbury on loan from the championship side.

On the friendly front-not to say that league games aren't friendly - Lyme managed to win all three.

## RESULTS

**Dorset Men's Championship:** Lyme 49, Greenhill 50 - B Gillett, E Skeemer, P Eagles, P Moffitt 15-18; P Stephens, J Eaton, S Pomeroy, P Pomeroy 13-14;

R Richardson, T Allman, D Meylan, C Barber 21-18.

It is of interest in this particular game that all three rinks were tying at the end of the 20th end.

**West Dorset Men's Division One:** Lyme A 55, Melcombe Regis 69 - C Bell, S Dowling, J Beadsley, D Perry 18-28; M Knight, G Clode, D Pomeroy, B Parsons 22-16; R Hobbs, J Moseley, M Thorne, B Rattenbury 15-25.

**Division Two:** Lyme B 46, Bridport B 45 - B Downes, H Keep, R Moody, G Cozens 14-19; R McLennan, T Payne, B Stephens, R Cridge 17-15; R Turpin, D Wood, R Winterborne, J Belger 15-11.

**Dorset Ladies' Division One:** Lyme 46, Poole Park 59 - J Moffitt, M Gillett, J Parsons, K Clissold 14-22; Clare Barber, M Bartlett, L Broom, S Rowe 18-18; N Stephens, J Perry, Chris Barber, A Allman 14-19.

# Bandits continue winning streak

BRIDPORT'S youth Autograss racing team, the Bridport Bandits continued their winning streak with wins at the Wessex Autograss Club race meeting on Sunday, July 24th.

Bridport drivers Ryan Hughes (18), Nikky Roberts (15) Luke Antinaro (16) and Troy Carter (14) all drove to a high standard and scored well.

Troy in his first outing in 'Hattie' - the Peugeot 106 - took the car competently through his heats with some impressive overtaking moves.Luke proved himself the passing champion as he regularly fought for the inside line in the close racing that is always a feature of Autograss. Nicky showed that he is getting to grips with the Junior Special finishing first, second and third in his three heats.

The star of the day was Ryan who raced Hattie in the men's Class One. His start in the third heat took him into the lead and was only caught by the current league champion on the final lap. Finishing second in such a quality field was very impressive.

Treasurer Stuart McKenzie made a good recovery after rolling his Mini - his own, not a Bandits' car - following a dramatic crash in the men's Class One heats. McKenzie was checked over by the medics in attendance and went out in his next race; he was placed second to secure a place in the final, where he came fifth. McKenzie will continue to race the car this season.

● THE Bridport Bandits support young people aged between 12 and 18 to participate in motorsport with the National Autograss Sports Association (NASA).

The Bandits race every fortnight during the season and their home track is the Wessex Motor Racing Club at Bearley, near Tintinhull, Yeovil.

The club meets every Monday and Thursday, 7-9pm, at the Bandits workshop (next to the youth club in Gundry Lane). For membership and information, contact Bill Davis on 07702 193737.

# Personal bests tumble for Warriors at Dorset meet

THIS year's annual Dorset Development Meet at Litledown, Bournemouth, saw West Dorset Warriors' swimmers achieve new personal bests in more than two thirds of the races they swam.

This impressive effort by all swimmers resulted in the Dorchester club coming second equal overall with Christchurch Seagulls behind eventual winners Swim Bournemouth.

In total the Warriors collected 100 medals; 36 were gold, 24 silver and 40 bronze.

Prominent amongst them were 12 year old Charlie Hitchcock winning six gold and five silver medals, swimming faster than the previous competition best time on seven occasions, whilst Amie Buttler led the way for the girls winning five gold medals and one bronze.

Noticeable amongst the improved swimmers was Lauren Oddy (11) who received the award for most improved time by a female swimmer, improving her 200m backstroke time by 42 seconds.

In other highlights, the younger swimmers, following on from their success in the Junior League also contributed to the successful weekend, with George Kelman-Johns winning three

gold, three silver and one bronze medal including a significant new personal best time in the nine years 200m Individual Medley to win in a new competition best time.

William Walden, making his debut, collected seven medals in the 10 years including a hat trick of gold medals in the 50m, 100m and 200m backstroke.

Competition was high in the older boys' age groups but Ryan Knott confirmed his consistency with three gold medals, including two new competition best times, whilst Guy Buttler collected two golds, also in the 16-18 year group, including competition best times in the 100m and 200m backstroke.

James Ross swam bravely on the Saturday to win two gold, two silver and one bronze having injured himself during the 100m butterfly, and Aaron Fryer won the 200m backstroke beating his previous best time by just under 32 seconds.

The girls' races continue to be highly competitive and this year saw Warriors swimming with determination and a mixture of medals across all age groups.

Charlotte Fairman found her mojo and swam exceptionally well to win the 200m backstroke, whilst

Jessica Northcote continued to swim with confidence collecting two gold medals, one in a competition best time in the 200m breaststroke.

Competing in their first Dorset Development meet, Chloe Cake, 11 years, started the weekend with an aggressive swim in the 200m breaststroke knocking 29 seconds off her personal best time, and Erin Gowers, 9 years, reduced her 200m Breaststroke time by 28 seconds.

Not to be outdone Katie Cramp also improved her personal best time in the 200m breaststroke by 23

## BOB BUCKLER RACING

WITH STUART BROOM

# BUCKLER'S ROLL CONTINUES

THE incredible run of success of Bob Buckler's horses this season continues as Mister Matt won his second consecutive race to take the Henley trainers wins this season to seven from 21 runners with a further eight being placed.

It also continued the eight-year-old's superb form of late with his eighth place finish in nine races since February.

It appeared three from home in the William Hill Handicap Chase at Uttoxeter that he might have a race on his hands as Colin Tizzard's Dean's Grange came to challenge after jumping the third last. However when asked for a response there was none, and James Best aboard Mister Matt moved ahead to win comfortably by three lengths.

Buckler said: "It looked worrying but the other horse is renowned for not having much of a finish when he comes off the bridle, and that proved true again."

Although Mister Matt jumped well he did tend to twist a little bit in mid air, something Buckler will be attending too this week.

"We're not sure whether he has a little problem in his back or maybe pulled a muscle, hence his jumping action, but he will be seeing the physio this week to see what the

problem is. Providing it is not anything serious he will have a couple of weeks off before racing again. We have a race at Cartmel pencilled in towards the end of August, or alternatives at Hereford and Newton Abbot that we are looking at."

Tiger Breeze had a final run to impress his trainer on the same card, and although he jumped well and galloped to the finish to finish fifth after giving himself every chance in the musicmagpie.co.uk Novices' Handicap Hurdle, he couldn't stay the pace and will now go to the sales at Ascot next month.

Ballygulleen made his first appearance since April after two disappointing races when he was pulled up, and although he did complete the course in the Weatherbys Bloodstock Insurance Handicap Chase at Worcester he was tailed off last of the finishers. He had jumped well in mid-division but dropped back as the race picked up six fences from home. Buckler said: "He'll come on for the run."

With the new build up to the busiest part of the season over the winter months, some of the horses are already returning to the yard after their summer break.

## Wiltshire claims limited ton record

STEPHEN Wiltshire became the first disabled cricketer ever to score a century in limited over cricket.

The Dorset player made 105 not out from just 46 balls playing for England against Wales at Newport, South Wales recently.

Wiltshire from Bridport and Calum Tucker from Dorchester were playing in the afternoon game for the less disabled, and Wiltshire's innings which included 10 sixes and 10 fours, and with bad weather threatening allowed England captain Dave Hassell to declare his sides innings at 177-2 from 18 overs.

Wales replied with 16-2 from four overs before the heavens opened, and although one more over was bowled which reaped one run for Wales for the loss of three wickets to leave the hosts on 17-5, England won with a better score at the same point in the game.

Four other Dorset players, Mark Pickersgill, Tom Griffiths, Simon Penny and Michael Chant took part in the morning match for those with more severe disabilities which was won by Wales who

passed England's total of 86-2 off 20 overs for the loss of two wickets off just 14 overs.

The day ended with a medal ceremony and each team winning one game.

who wishes to learn to box.

"Training takes place on Tuesdays and Thursdays from 7pm, and anyone interested should bring a parent with them to the gym which is situated at the junction of St Michael's Lane and Gundry Lane."

## WHAT THE MANAGERS SAY...

WITH STUART BROOM

### BRIDPORT FC

BRIDPORT manager Trevor Senior has completed the signing of Sam Charles, his brother Joe and Tom Richardson, as he looks to boost his squad ahead of the new season.

Whilst striker Sam had already pledged his allegiance to Senior earlier in the summer, the former Reading striker was boosted by the addition of his brother Joe, a central defender, and striker Tom Richardson, who has produced some impressive displays in pre-season matches, both penning Western League forms.

Sam has been in outstanding form since returning to training, scoring both goals against Portland United in the Bees' 2-2 draw last Tuesday to add to the two he bagged against Bournemouth Poppies just three days earlier.

Senior said: "Sam has looked really sharp since he returned to training and been impressive, and has formed good partnerships up front with both Matt Moors and Tom."

"Joe has shown that he is more than capable, whilst Tom has looked very

sharp, and I am pleased that they have all signed forms."

Bridport also played a goalless stalemate against Westlands on Saturday.

"I was pleased with both performances for, although both are Dorset Premier League sides, they are both very ambitious" said Senior.

"They contain a number of experienced players and would more than hold their own in the Toolstation First Division."

Unfortunately both Moors and Richardson picked up injuries against Portland that sidelines them for the game against Plymouth Argyle Youth.

● BRIDPORT Reserves beat Westlands' second string with a Murray Legg goal, with former Seaton Town players Cameron Vere and Rob Fellingham once again impressing Senior.

● DAWLISH Town have pulled out of the Toolstation Western League Premier Division which means that Bridport's second scheduled league match away to the Devon outfit on August 16th and the reverse fixture on September 20th have been expunged.

### WEYMOUTH FC

BRENDON King told his players not to get carried away following Weymouth's 3-0 victory over a West Ham XI at the Bob Lucas Stadium on Saturday.

Although the Hammers side did not include any of their expected Championship side, all the players carried last year's Premiership squad numbers and represented a true test for the Terras.

King said: "It was a pretty decent performance against a decent side. The performance was more important than the result, but we got both."

"We totally dominated the game and our work rate was excellent. We were well organised and hard to break down."

"However, the most important thing, as I told the players after the match, was not to get carried away. It was a great foundation to work on but we don't get three points for the result."

King was buoyed by the signing of Marshallsay and Sam Poole - who once again showed what a prospect he could be - on one year contracts, whilst Reed

and Lewis Tasker both signed non-contract deals. The situation regarding Rob Wolleaston is still to be resolved. Despite having turned out for Woking in a pre-season friendly, the former Chelsea player has denied that he is joining them, only using the game for match fitness, and appears to have nailed his colours to Weymouth's mast.

King confirmed that talks are still ongoing but stressed that he only has a limited budget which it appears seems to be the deciding factor on whether he will appear in Terras colours again.

"With the first three games against sides from higher leagues we have shown good and improving form and only conceded one goal," said King.

"All the lads have done everything I have asked of them and whilst we need a couple more players, I have been successful in getting a good squad together."

● WEYMOUTH have a busy schedule this week with games against Bridgwater Town (Wednesday), Portland United (Thursday) and Dorchester Town on Saturday.

### DORCHESTER TOWN FC

DORCHESTER Town assistant manager, Phil Simkin, whilst not getting carried away by pre-season friendly results, believes the Magpies are well equipped to go into the new season.

A 3-1 win over fellow Blue Square South rivals Thurrock on Saturday and a 1-1 draw at Hamworthy United on Monday evening saw them complete six of their 11 pre-season friendlies.

"All the games have been extremely useful in our build up to the season, and whilst the results don't matter too much in the context of what we are looking to achieve, wins give you confidence," said Simkin.

"However it is all about being ready for August 13th and our first match at Dover."

"We didn't have a good start last year after a good pre-season, and it left us with a lot of ground to make up, so we want to be equipped and ready this time."

The game against Thurrock produced three outstanding performances from Ryan Dovell, Chris Flood and Ben

Dickenson which augers well for the future.

Dovell is on the brink of signing a contract this week after moving from Bridport. Flood who joined the club initially on loan from Crawley Town at the beginning of the year before signing a contract until the end of the season, dismissed speculation by signing a new contract at The Avenue in the summer, and is showing consistent form in pre-season with four goals, two against Thurrock of which one was outstanding.

Simkin also reported that Dickenson is now up to full speed after turning his ankle in early training and is really showing his talents: "He is exceptionally quick and sharp and was in top form against Thurrock."

Negotiations are ongoing with Nathan Peprah-Annan who could return to the club for a third spell.

Central defender Gary Bowles, having impressed in last week's 2-2 draw at Winchester City, has been invited to train with AFC Bournemouth this week.

# Connor is thwarted by England's lack of water

WEST BAY Sea Angling Club's latest international Connor Hallett was thwarted of any chance of a team victory by lack of water on the second day.

Making his debut for England's Junior team at the Home International Shore Fishing Competition in Northern Ireland recently, he finished second in his zone on the first day having caught four flounders, although England were left trailing in last place of the four home countries.

On day two he caught a flounder within 30 seconds of the competition starting at 10:15am which won his zone for the day, but unfortunately at 1:30pm the depth of water within casting distance dropped and the match had to be cancelled before its 3:15pm scheduled finish denying England the chance to improve on their bronze medal position.

Committee member Tiny Daw said: "Connor did well individually tying with another for second place; only one other competitor won both their zones.

"If they had continued fishing England may well have caught weighing fish, and being only one point behind sliver, and two behind gold, may well have improved their position. "They should be congratulated for working tirelessly and never giving up, and particularly to Connor who was awesome on his first chance at that level of fishing."
